Keith Emery

Tenaska Power Services

Independent Power Marketer Segment

Keith Emery is Vice President of Origination for Tenaska Power Services Co. (Tenaska). He is responsible for Tenaska's marketing and business development activities throughout ERCOT, focusing on developing creative energy management solutions for wholesale and industrial customers.

Mr. Emery has 26 years of experience in the electric power industry, including 18 years focused on deregulated energy markets throughout the United States. Before joining Tenaska, Mr. Emery worked for 13 years with NextEra Energy Resources and Florida Power & Light Company in various power marketing, engineering, and operation positions.

Mr. Emery has served on the ERCOT Technical Advisory Committee for five years and the ERCOT Wholesale Market Subcommittee for three years. He has been actively involved with the ERCOT market for 17 years and serves on the board of directors of the Gulf Coast Power Association.

Mr. Emery is a registered professional engineer and earned a bachelor's degree in electrical engineering and a master of business administration degree from Florida Atlantic University.
