Glen Lyons

ExxonMobil Power and Gas Services, Inc.

Consumer – Industrial Segment

Glen Lyons is currently Manager, Power Regulatory for Exxon Mobil Corporation based in Spring, Texas.

Mr. Lyons graduated from the University of Illinois in 1983 with a Bachelor of Science degree in Advertising and later received his Master of Science in Industrial Administration degree from Carnegie-Mellon University in 1985.

Mr. Lyons began his career at Exxon Company, USA, in 1985 working in the fuels and retail businesses. Since the Exxon and Mobil merger in 1999, Glen has held a range of commercial roles across ExxonMobil's US natural gas and power marketing businesses. In 2010, Glen assumed a global role advising ExxonMobil gas and power marketing businesses around in the world.

In 2013, Glen was appointed to his current position, with a primary focus on power markets and related regulations. As part of his role, Glen represents ExxonMobil in a range of state and federal industrial power consumer trade associations across the United States.
