Vanessa Anesetti-Parra

Just Energy
(Independent Retail Electric Provider)

Vanessa Anesetti-Parra oversees Just Energy's North American residential and commercial regulatory affairs and compliance division covering all jurisdictions and marketing channels. She joined the company in 2009 and has over 19 years of experience in retail energy. She has held various management positions within the regulatory and compliance portfolios at Just Energy over the years. Prior to joining Just Energy, Ms. Anesetti-Parra gained retail energy experience during tenures at Universal Energy and Direct Energy, with a focus on compliance, regulatory, and overall customer experience. She earned her Business Analysis certification from the University of Toronto in Toronto, Canada.
