- (a) Integrity of the Fact-Finding Process - The principal goal of the hearing process is to assemble a complete factual record to serve as a basis for a correct and legally sustainable ruling, decision or order.
- (b) Fairness - Persons appearing in Compliance Enforcement Authority proceedings should be treated fairly. To this end, Parties should be given fair notice and opportunity to present explanations, factual information, documentation and legal argument. Action shall be taken as necessary to eliminate any disadvantage or prejudice to a Party that would otherwise result from another Party’s failure to act diligently and in good faith.
- (c) Independence - The hearing process should be tailored to protect against undue influence from any Person, Party or interest group.

- (d) Balanced Decision-Making - Decisions should be based solely on the facts and arguments of record in a proceeding and by individuals who satisfy the Compliance Enforcement Authority's conflict of interest policy.
- (e) Impartiality - Persons appearing before the Hearing Body should not be subject to discriminatory or preferential treatment. Registered Entities should be treated consistently unless a reasonable basis is shown in any particular proceeding to depart from prior rulings, decisions or orders.

1.1.4 Interpretation

The Staff of the Compliance Enforcement Authority shall maintain a system of numbering proceedings before they are sent to the Hearing Body for a hearing under these procedures. A numbered proceeding shall be created within the Compliance Enforcement Authority upon the issuance of a notice of Alleged Violation. Unless NERC provides a different docketing system that will be used uniformly by the Compliance Enforcement Authority, proceeding numbers shall be assigned sequentially beginning with a two digit number that relates to the last two digits of the year in which the docket is initiated, followed by a dash (“-”), followed by the letters “[RE]”, followed by a dash (“-”), followed by a four digit number that will be “0001” on January 1 of each calendar year and ascend sequentially until December 31 of the same calendar year. If the proceeding is not settled and becomes a contested matter before the Hearing Body, the Hearing Body’s numbering and docketing system shall govern the tracking of such filings while under the Hearing Body’s administration.

This “hold harmless” provision does not extend to matters constituting gross negligence, intentional misconduct, or breach of confidentiality.

1.3 Initiation of the Hearing Process

Except when contesting a Remedial Action Directive pursuant to section 1.5 of these Rules of Procedure, a Registered Entity may file a response or complaint with the Compliance Enforcement Authority and the Filing Clerk requesting a hearing if:

- (a) The Registered Entity contests a Notice of Alleged Violation as to the existence or scope of the alleged violation, the proposed Penalty, or both; or
- (b) The Registered Entity contests the Compliance Enforcement Authority's rejection of Registered Entity's Mitigation Proposal in whole or in part.

A Registered Entity must file its hearing request within forty (40) days after (i) the Registered Entity files its response to the notice of Alleged Violation; or (ii) the Compliance Staff submits to the Registered Entity its statement identifying a disagreement with the Registered Entity's Mitigation Proposal, whichever is applicable. If the Registered Entity does not file a hearing request within the time period set forth in this Section, then the Registered Entity will be deemed to have agreed and waived any objection to the proposed Penalty, the Alleged Violation or the Compliance Staff's stated position on the Registered Entity's Mitigation Proposal, whichever is applicable.

Either a notice of Alleged Violation issued to a Registered Entity or a Staff statement setting forth its disagreement with a Registered Entity's Mitigation Proposal shall clearly state that the Registered Entity has the option to contest the Alleged Violation, proposed Penalty, or both, or the Compliance Staff's position on the Registered Entity's Mitigation Proposal.

A Registered Entity shall attach to a request for hearing whichever of the following are applicable:

- (a) The Registered Entity's Self-Reporting of a violation;
- (b) The Notice of Alleged Violation and the Registered Entity's response thereto; or
- (c) The Registered Entity's Mitigation Proposal and the Compliance Staff's statement identifying its disagreement with the Registered Entity's Mitigation Proposal.

1.4.1 Hearing Body

The Hearing Body, consisting of a quorum of the Commission, shall hear all proceedings brought under these Rules of Procedure, unless the Commission elects to delegate all or part of the proceeding to a Presiding Officer who is a member of the Commission Staff. The Hearing Body is vested with the exclusive authority to issue a final recommendation to the Chief Compliance Officer for the resolution of the issue(s) presented. The following procedures shall also apply:

- (a) The Hearing Body or any individual member thereof may, but is not required to, attend any prehearing conference, status hearing or evidentiary hearing, or to submit questions to the Presiding Officer to submit to a Party or any witness at any such hearing. No more than one member of the Hearing Body may be present for any prehearing

conference, status hearing, or evidentiary hearing unless the Hearing Body has complied with the Open Meetings requirements of Texas law.

- (b) The Hearing Body shall resolve the issue(s) in every hearing through the issuance of a final recommendation to the Chief Compliance Officer. In issuing a final recommendation to the Chief Compliance Officer, the Hearing Body shall consider the Presiding Officer's draft recommendation but shall have the authority to reject, modify or approve the draft recommendation in whole or in part in issuing its final recommendation.

1.4.2 Technical Advisor

The Presiding Officer or the Hearing Body may elect to use one or more Technical Advisors to assist in any proceeding. Such an election may be made at any time during the course of a proceeding. Any Staff member who serves as a Technical Advisor shall not have been involved in or consulted at any time in regard to any Compliance Staff investigation, initial determination of Alleged Violation or Penalty, or assessment of a Registered Entity's proposed Mitigation Plan that resulted in the proceeding in which technical advice would be rendered, and shall not otherwise participate in the proceeding on which such technical advice would be rendered.

If the Presiding Officer or Hearing Body uses a Technical Advisor to assist in any hearing, the Presiding Officer or Hearing Body shall disclose the identity, employment history and professional affiliations of the Technical Advisor within two (2) days of the Technical Advisor's assignment to the proceeding, and Parties to the hearing may raise objections to the Technical Advisor's participation within 10 business days of disclosure.

1.5 Initiation of Remedial Action Directive Hearing

Staff may issue a Remedial Action Directive to a Registered Entity at any time, including during any proceeding related to an alleged violation of a Reliability Standard. The Compliance Enforcement Authority will notify NERC within two (2) days after its Staff issues a Remedial Action Directive.

The Registered Entity may contest the Remedial Action Directive in accordance with these Rules of Procedure and Delegation Agreement, Exhibit D, Attachment 1, §10, by filing a written notice with the Compliance Enforcement Authority that states that the Registered Entity contests the Remedial Action Directive and that the Registered Entity requests a Remedial Action Directive hearing. The Registered Entity shall attach a copy of the Remedial Action Directive to its written notice. The Registered Entity must provide such notice within two (2) business days following issuance of the Remedial Action Directive. If the Registered Entity does not give written notice to the Compliance Enforcement Authority within the required time period, the Registered Entity shall be deemed to have waived its right to contest the Remedial Action Directive.

The Registered Entity shall simultaneously file with the Hearing Body Clerk a copy of the notice that it is contesting the Remedial Action Directive.

The Hearing Body Clerk shall assign a docket number, and issue a Notice of Hearing that sets forth the date, time and place at which the hearing will convene.
