

Request for Information for API Management Solution

Date of Release: January 05, 2021

1. General Information

1.1. Request for Proposal (RFP) Objective

This is a Request for Information (RFI) only and does not constitute a commitment, implied or otherwise, that the Electric Reliability Council of Texas, Inc. (ERCOT) will take procurement action in this matter. However, ERCOT reserves the right to seek firm pricing from one or multiple respondents to this RFI; and to make a contractual award without further procurement action.

The ERCOT objective in this RFI is to evaluate various API Management Tools for potential future purchase by ERCOT.

ERCOT intends to evaluate various API Management tools with different suppliers, conduct POC's on their trial version software, compare product capabilities versus project requirements, and present the outcome to the project stakeholders for potential future consideration.

Electric Reliability Council of Texas will be using Scout RFP to manage the submission process for the API Management System RFI.

<https://go.scoutrfp.com/rfps/public/170365>

In order to participate, each respondent is required to create a free supplier account with Scout by accessing any of the following links and following the instructions for new account creation.

Once registered, you can view details and ask questions (via Scout's message center) to Electric Reliability Council of Texas within the Scout platform. You will also be able to invite additional team members to collaborate, and submit your RFP response.

1.2. ERCOT Point of Contact

The sole point of contact for inquiries concerning this RFP is:

Jason Terrell
ERCOT
2705 West Lake Drive Taylor, Texas 76574
Jason.Terrell@ercot.com

All communications relating to this RFI must be directed to the specified ERCOT Point of Contact. All other communications between a Respondent and ERCOT staff concerning this RFI are prohibited. Failure to comply with this section may result in ERCOT's disqualification of the proposal.
