

# Request for Proposal for Value Stream Mapping

Date of Release: January 08, 2021

# 1. General Information

## 1.1. Request for Proposal (RFP) Objective

The objective of ERCOT in this procurement is to identify and contract with a qualified respondent to provide a value stream mapping solution which can highlight and visualize the work flow through the software development cycle as it relates to the four (4) common issues of feature, debt, defect, and risk.

Electric Reliability Council of Texas will be using Scout RFP to manage the submission process for the Value Stream Mapping RFP.

<https://go.scoutrfp.com/rfps/public/157268>

In order to participate, each respondent is required to create a free supplier account with Scout by accessing the above link.

Once registered, you can view details and ask questions (via Scout's message center) to Electric Reliability Council of Texas within the Scout platform. You will also be able to invite additional team members to collaborate, and submit your RFP response.

## 1.2. ERCOT Point of Contact

The sole point of contact for inquiries concerning this RFP is:

Jason Terrell  
ERCOT  
2705 West Lake Drive Taylor, Texas 76574  
[Jason.Terrell@ercot.com](mailto:Jason.Terrell@ercot.com)

All communications relating to this RFI must be directed to the specified ERCOT Point of Contact. All other communications between a Respondent and ERCOT staff concerning this RFI are prohibited. Failure to comply with this section may result in ERCOT's disqualification of the proposal.
