**RE: Appeal to ERCOT Board of Directors of PRR 546, PCR Treatment for
Federal Hydropower Resources**

Dear Ms. Pemberton:

Tex-La Electric Cooperative of Texas, Inc. ("Tex-La") appeals to the ERCOT Board the November 4, 2004 decision of the ERCOT Technical Advisory Committee ("TAC") not to approve Protocols Revision Request ("PRR") 546. As PRR was designated for urgent consideration, Tex-La requests inclusion on the Board's November 16, 2004 Agenda and consideration at such meeting.

Tex-La will file additional comments with the Board to supplement this appeal as soon as possible.

Sincerely,

Nelson H. Nease
