

ERCOT
SYSTEM PROTECTION WORKING GROUP
REPORT TO ROS
June 14, 2007

The last meeting of the ERCOT System Protection Working Group was held in Austin on February 22-23, 2007. Of significance to this ROS meeting are the following items:

Short Circuit Data Cases: The first pass of the Future Years Cases has been sent to members by ERCOT. Changes were due back June 11.

Relay Misoperations Report: This report was due by June 1 for data collected over the past reporting period. Members should have already submitted this data.

Next Meeting: The next scheduled Working Group meeting will be held in Fort Worth in July, 2007.
