In return for such services, each Member shall pay its Annual Member Services Fees within thirty (30) days after receipt of ERCOT's annual statement of such fees. Failure to do so shall constitute such Member as being in arrears. Except as provided below, Annual Member Service Fees for Corporate Members shall be \$2,000. Annual Member Service Fees for Associate Members shall be \$500. Annual Member Service Fees for Adjunct Members shall be \$500. The Annual Member Service Fees for Residential and Commercial Consumer Members shall be \$100 for Corporate Membership and \$50 for Associate Membership; provided that there will be no charge for Annual Member Service Fees for associations that qualify for Commercial Consumer Membership. Once an Entity has elected to be a Corporate Member of a Segment, the Entity must continue to vote in that Segment for a minimum of one (1) year. If, at any point, an Entity no longer meets the qualifications for the Segment so elected, the Entity may not vote in that Segment; however, that Entity may then immediately elect to become a Corporate Member in any Segment for which it does qualify. Except as otherwise provided in these Bylaws, an Associate Member may be selected by the Corporate Members of a Segment in which the Associate Member participates to serve as a voting member of the Board, TAC or any subcommittee of the Board or TAC.
- (c) Subject to any specific provisions in these Bylaws or the Articles of Incorporation, each Corporate Member in good standing is entitled to one vote on each matter submitted to a vote of the Corporate Members. A Corporate Member in good standing is one that is not in arrears for payment of its Annual Member Services Fees for a Corporate Membership or payment of any other fees owed to ERCOT unless in good faith disputed, is not in breach of any contract with ERCOT, and is not suspended or expelled as of the record date of the meeting. Corporate Members that are not in good standing are not entitled to vote on any matters until they have regained good standing.

### Section 3.7 Meetings of the Corporate Members.

- (e) Representation at any meeting of ERCOT of at least fifty-one percent (51%) of the Corporate Members, in person or by proxy, shall constitute a quorum for the transaction of business at such meeting. Except as otherwise provided in these Bylaws and in the

Texas Regional Entity Standards Development Process, an act of fifty-one percent (51%) of the Corporate Members shall be the act of the Corporate Members.

Section 3.8 Sanction, Suspension, Expulsion, or Termination of Members. No Member, either a Member organization or a Member representative, may be sanctioned, expelled or suspended, and no Membership or Memberships in ERCOT may be terminated or suspended except pursuant to a procedure that is fair and reasonable and is carried out in good faith. The Board may, by resolution, establish a procedure to terminate, expel, suspend, or sanction a Member. In the event that the Board does not adopt procedures, the following procedures shall apply:

- (a) Written notice. An intent to terminate, expel or suspend a Member shall be preceded by twenty (20) days written notice of the date when a hearing will be held to determine whether the Member shall be expelled, suspended, terminated or sanctioned. Such notice shall set forth the reasons therefore. Said notice must be given by first class or certified mail sent to the last address of the Member to be expelled, suspended, terminated or sanctioned, as shown in ERCOT's records.
- (b) Hearing. An opportunity shall be provided for the Member to be heard, orally and in writing. The Member shall be entitled to have counsel present at and to participate in the hearing at his, her or its own expense, and to present and cross-examine any witnesses. The hearing shall be conducted at the next meeting of the Board for which there is time to give proper notice.
- (c) Liability. A Member who has been sanctioned, expelled, terminated or suspended shall be liable to ERCOT for fees as a result of obligations incurred or commitments made prior to sanction, expulsion, termination or suspension.
- (d) Challenges. Any proceeding challenging an expulsion, suspension, sanction or termination, including a proceeding in which defective notice is alleged, must be commenced within one year after the effective date of the expulsion, suspension, sanction or termination. Any such proceeding before the Board will be subject to the hearing requirements described in (b) of this section.

Section 3.9 Resignation. Any other provision of these Bylaws notwithstanding, any Member may withdraw from participation in the activities of ERCOT at any time upon written notice to the CEO, whereupon it shall cease to be a Member, shall cease to be entitled or obligated to participate in the activities of the Board, TAC or any subcommittee of the Board or TAC and shall have no further obligations as a Member; provided, however, that if such notice is given more than thirty (30) days after such Member's receipt of its statement of fees and expenses for a fiscal year, the Member shall be obligated to pay its Annual Member Services Fees for the full fiscal year within which such termination is effective.

Section 3.10 Reinstatement. A former Member may submit a written request for reinstatement of Membership. The Board may choose to reinstate Membership on any reasonable terms that the Board deems appropriate.

Section 3.11 Property Ownership and Control. Subject to applicable laws, rules, regulations, agreements, and ERCOT Protocols, each Member shall retain sole control of its own facilities and the use thereof, and nothing in these Bylaws shall require a Member to construct or dedicate facilities for the benefit of any other electric system or allow its facilities to be used by any other Member, or to construct or provide any facilities for its own use, and nothing herein shall be deemed to impair the ability or right of any Member to take such actions or to fail to act, as it deems necessary or desirable, with respect to the management, extension, construction maintenance and operation of its own facilities, present and future. A Member has no interest in specific property of ERCOT and waives the right to require a partition of any ERCOT property.

- (1) Representatives of ~~four~~ two Members elected from each of the six Segments listed in Section 3.1.
- (2) For the Consumer Segment, Corporate Members of each subsegment shall elect its Representatives. For any subsegment in which there are no Corporate

Members, the Consumer Director of that subsegment shall appoint such Representatives. For the Residential, Commercial and Industrial subsegments, the TAC Representative seats are as follows:

- (i) Two Representatives of Industrial Consumers
  - (ii) One Representative of Small Commercial Consumers
  - (iii) One Representative of Large Commercial Consumers
  - (iv) One Representative of Residential Consumers
  - (v) The Public Counsel or his or her designee as an *ex officio* voting member
- (b) Each TAC Representative shall be entitled to one vote on matters submitted to TAC.
- (c) Fifty-one percent (51%) of the eligible, seated Representatives of TAC shall constitute a quorum for the transaction of business. Affirmative votes of sixty-seven percent (67%) of the eligible, seated Representatives of TAC shall be the act of TAC.
- (d) Each Segment may choose to participate in “Participatory Voting” as described herein. If a Segment chooses to engage in Participatory Voting, each TAC Representative elected by that Segment shall be required to present the decision of the Corporate Members of that Segment. A Corporate Member may delegate an employee or agent other than the Member representative described in Section 3.5 to vote on its behalf for purposes of Participatory Voting. If a Corporate Member of a Segment using Participatory Voting is unable or does not wish to attend a TAC meeting that Member may deliver a written proxy, at any time prior to the start of the meeting at which it will be voted, to a Participatory Voting delegate of any Member of the same Segment. A Corporate Member delegate in attendance at a TAC meeting may give a written proxy to a Participatory Voting delegate of any Member of the same Segment during such meeting.
- (e) All TAC Representatives shall be appointed or elected annually by the Corporate Members of their respective Segments. The term for all TAC Representatives shall be one year. Any TAC Representative may be reappointed or reelected for consecutive terms, without limitation. A vacancy shall be filled by the same means used to elect or appoint the previous TAC Representative. The Representatives of TAC shall elect from amongst themselves a Chair and Vice Chair subject to confirmation by the Board, provided that the Chair and Vice Chair must each be an employee of a Member.
- (f) Each person (other than the Residential Consumers Representative) serving on TAC or any subcommittee thereof must be an employee or agent of a Member. Unless otherwise provided in these Bylaws, if an employee or agent of a Member is elected or appointed to serve on TAC or any subcommittee thereof, such person is only eligible to serve in such

capacity so long as he or she is an employee or agent of the same Member as he or she was at the time of such election or appointment.

- (g) In the event that a Small Commercial Consumer Representative cannot be identified to serve on TAC, that seat may be filled by any other Commercial Consumer representative appointed by the Consumer Director of the same subsegment provided that such representative represents at least one consumer in the ERCOT Region. Any Representative of the Consumer Segment appointed to TAC by a Consumer Director, if not otherwise a Member of ERCOT, shall be allowed to vote on TAC without the payment of the Annual Member Service Fees. An appointed Commercial Consumer TAC Representative is eligible to serve in such capacity so long as he or she is an employee or representative of the same company as he or she was at the time of such appointment.

Section 5.2 Functions of TAC. TAC shall have the authority to create subcommittees, task forces and study groups (“subcommittees”). TAC shall determine the eligibility requirements, quorum requirements and voting structure for each subcommittee. TAC shall (a) through its subcommittees make such studies and plans as it deems appropriate to accomplish the purposes of ERCOT, the duties of its subcommittees and the policies of the Board, (b) report the results of such studies and plans to the Board as required by the Board, (c) review and coordinate the activities and reports of its subcommittees, (d) make such recommendations to the Board as it deems appropriate or as required by the Board, (e) perform such other duties as directed by the Board and (f) make recommendations regarding ERCOT expenditures and projects. In accordance with ERCOT procedures and applicable law and regulations, certain guidelines, criteria and other actions approved by TAC may be effective upon approval by TAC; provided however, that such actions are reported to the Board for review and nothing herein shall affect the ability of the Board to independently consider such guidelines, criteria and actions, and to take such action with respect thereto as the Board deems appropriate, including revocation and remand with instructions.

Section 5.3 Meetings. TAC and its subcommittees shall meet as often as necessary to perform their duties and functions. All meetings of TAC and its subcommittees shall be called by their respective chairmen and all such meeting notices shall be sent in writing to each member at least one week prior to the meeting, unless an emergency condition should suggest otherwise (such emergency to be by mutual consent of a majority of the seated Representatives of TAC or subcommittee). Any Member may request notification of any such meetings and may have an employee or a TAC-approved representative for that Member attend as an observer. Each Representative of TAC may designate in writing an alternate representative who may attend meetings in the absence of the Representative and vote on the Representative’s behalf.

Section 5.4 Other Appointments. If requested by NERC, TAC shall elect representatives to the various NERC committees and associated subcommittees, task forces, and working groups. The selection of TAC representatives to NERC shall require an act of TAC as set forth in Section 5.1(c). If more than one representative is requested, TAC should consider selecting representatives from different Segments.

## **ARTICLE 6 TEXAS REGIONAL ENTITY**

Section 6.1 TRE Responsibilities and Duties. The TRE shall be a functionally independent division within ERCOT which shall be responsible for proposing, developing, implementing and enforcing Reliability Standards in accordance with the Delegated Authority. The TRE shall also be responsible for investigating compliance with and enforcing violations of the ERCOT Protocols (“ERCOT Compliance”), so long as the ERCOT Compliance activities do not conflict with the Delegated Authority. The TRE shall develop policies, processes, standards, and procedures to implement the Delegated Authority and the ERCOT Compliance activities. The TRE shall form a Reliability Standards Committee (“RSC”), comprised of members from all ERCOT Segments, to propose, receive, consider, authorize, and vote on Reliability Standards and Reliability Variances, in accordance with the Texas Regional Entity Standards Development Process and procedures. All proposed ERCOT-specific Reliability Standards and Reliability Variances requests must be approved by the Board, prior to being submitted to NERC.

Section 6.2 TRE Independence. The TRE and its employees shall function independently of the other divisions, departments and employees of ERCOT. TRE employees shall be responsible for creating and monitoring a separate budget to be submitted to the Board for approval and then to the North American Electric Reliability Corporation (“NERC”) for approval, pursuant to a Delegation Agreement (“TRE Budget”). The portion of the TRE Budget which is for activities that are not related to the Delegated Authority but are for ERCOT Compliance activities will be approved by the PUCT. Except for ERCOT Compliance activities and any extraordinary activities that are specifically approved by NERC in the TRE Budget, the TRE shall be funded separately by NERC. The TRE shall (i) maintain separate books and records to account for its finances, separating income and expenditures for the Delegated Authority and the ERCOT Compliance Activities and (ii) pay a fair market rate for any goods and services obtained from ERCOT, or if a fair market rate is not readily determinable without undue effort or expense, at least the out-of-pocket cost incurred by ERCOT in respect thereof. ERCOT acknowledges that the TRE Chief Compliance Officer and the TRE staff will conduct investigations into and will prosecute enforcement actions regarding the matters within the scope of the TRE’s responsibilities and duties, including investigations and prosecutions of ERCOT.

Section 6.3 TRE Management. The business and affairs of the TRE shall be managed directly by the Board, or a subcommittee thereof, to insure independence of the TRE from the other ERCOT operations and activities, including the ERCOT Independent System Operator functions. The Board shall hire a Chief Compliance Officer (“CCO”) who, under its supervision and direction, shall carry on the general affairs of the TRE as the chief executive officer. The CCO shall be independent of any market participant, and shall be an independent member of the staff of ERCOT, reporting exclusively to the Board. The Board shall only hire a CCO after consulting the PUCT Commissioners and Executive Director, and obtaining the approval of the PUCT Executive Director. The Board may also appoint a financial director, who will report to the CCO, with responsibility for overseeing the budgeting, finance and accounting functions necessary for the independent operation of the TRE. The TRE may retain outside advisors as it deems necessary. The CCO shall have the sole authority to retain or terminate such outside counsel and other advisors as the CCO may deem appropriate in his or her sole discretion. The CCO shall

have the sole authority to approve related fees and retention terms for such advisors, in accordance with the TRE Budget. The CCO shall make an annual report and periodic reports to the Board concerning the activities and expenditures of the TRE, and the TRE shall have its separate financial statements reviewed or audited annually. The CCO shall ensure that the TRE files all required reports with NERC. CCO shall, in cooperation with the financial director of the TRE, monitor the expenditure of the monies received by the TRE to ensure that such are deployed in accordance with the TRE Budget, as approved by the Board and NERC.

Section 6.4 TRE Employees. To the fullest extent practicable under applicable law, the TRE and the CCO shall be responsible for hiring, firing and compensating all TRE employees. The TRE employees shall be compensated from the TRE budget. If permissible, and consistent with the Board's and CCO's compensation policies for the TRE employees, such employees may participate in insurance and other benefits extended to ERCOT employees, provided that the TRE reimburses ERCOT for the full cost of providing such benefits. The TRE is authorized to employ attorneys, and all such attorneys shall report to the CCO and shall have ethical and other obligations solely to the TRE and not to ERCOT. Such attorneys are expressly authorized and required to provide advice to the CCO and the TRE regarding the Delegated Authority and ERCOT Compliance activities, including investigations and enforcement actions involving ERCOT. Such attorneys are specifically authorized to assist with the prosecution of enforcement actions relating to the Delegated Authority or ERCOT Compliance activities.

Section 6.5 Evaluation of TRE Performance. The Board shall monitor the TRE and CCO's performance, establish and review the CCO's compensation and provide annual, or at its election, more frequent, evaluations. The Board may receive and will consider input from the PUCT regarding the compliance and enforcement activities of the CCO and the TRE. It shall be the CCO's duty, in cooperation with the financial director of the TRE, to monitor the expenditure of the monies received by the TRE to ensure that such are deployed in accordance with the TRE Budget, as approved by the Board, PUCT and NERC. The Board will consider input from the PUCT regarding the compliance and enforcement activities and performance of the CCO and TRE. Neither the CCO nor any TRE employee may be retaliated against by ERCOT or its Board for investigating or participating in any enforcement activities pursuant to the Delegated Authority. The Board may not terminate, discipline, or demote the CCO or any TRE employees, advisors or contractors because of compliance or enforcement activities conducted in good faith.

## **ARTICLE 7 CHIEF EXECUTIVE OFFICERS**

Section 7.1 CEO. The Board shall hire a Chief Executive Officer ("CEO") who, under the Board's supervision and direction shall carry on the general affairs of ERCOT. The CEO shall be a member of the staff of ERCOT and shall be a voting Director. It shall be his or her duty to approve the expenditure of the monies appropriated by the Board in accordance with the Budget approved by the Board. The CEO shall make an annual report and periodic reports to the Board concerning the activities of ERCOT. The CEO shall serve as President of ERCOT. He or she shall comply with all orders of the Board. All agents and employees of ERCOT shall report, and be responsible, to the CEO, except for the CCO and other employees, contractors, and advisors

of the TRE. The CEO shall perform such other duties as may be determined from time to time by the Board.

Section 7.2 CCO. The Board shall hire a Chief Compliance Officer (“CCO”) who, under the Board’s supervision and direction shall carry on the affairs of the TRE. The CCO shall comply with all orders of the Board and will coordinate with the NERC regarding activities relating to the Delegated Authority and with PUCT regarding ERCOT Compliance activities. All employees and contractors of the TRE shall report and be responsible, to the CCO. The CCO shall be responsible for employment-related decisions for all employees of the TRE that are not appointed by the Board and shall provide input to the Board with respect to TRE employees appointed by the Board. The CCO shall perform such other duties as may be determined from time to time by the Board, for the benefit of the TRE. The Board may only terminate, discipline, not renew, or demote the CCO after consulting the PUCT Commissioners and Executive Director, and obtaining the approval of the PUCT Executive Director.

## **ARTICLE 8 OFFICERS**

Section 8.1 General. The officers of ERCOT shall consist of a President, one or more Vice Presidents, a Secretary, a CCO of the TRE, and such officers and assistant officers as the Board may create. The CEO shall serve as President of ERCOT. Any two (2) or more offices may be held by the same person, except the offices of President and Secretary or CCO. A subcommittee duly designated may perform the functions of any officer and the functions of two or more officers may be performed by a single subcommittee.

Section 8.2 Tenure. The CEO of ERCOT and the CCO of TRE shall be elected and the other officers of ERCOT shall be ratified by the Board at such time and in such manner and for such a term not exceeding one (1) one year, as shall be determined from time to time by the Board. Any officer may be re-elected or re-ratified for consecutive terms, without limitation. All officers of ERCOT shall hold office until their successors are chosen and qualified or until their earlier resignation or removal. Any officer elected or appointed may be removed by the persons authorized to elect or appoint such officer whenever in their judgment the best interests of ERCOT will be served thereby.

## **ARTICLE 9 TRANSACTIONS OF CORPORATION**

Section 9.1 Deposits and Checks. All of ERCOT’s funds will be deposited to the credit of ERCOT in banks, trust companies, or other depositories that the Board approves.

Section 9.2 Potential Conflicts of Interest.

Each Director, TAC Representative and subcommittee member shall have an affirmative duty to disclose to the Board, TAC or subcommittee (as the case may be) any actual or potential

conflicts of interest of the Director, TAC Representative or subcommittee member or his employer where, and to the extent that, such conflicts or potential conflicts directly or indirectly affect any matter that comes before the Board, TAC or subcommittee, as the case may be. A Director with a direct interest in a matter, personally or via his employer, or by having a substantial financial interest in a person with a direct interest in a matter, shall recuse himself from deliberations and actions on the matter in which the conflict arises and shall abstain on any vote on the matter and not otherwise participate in a decision on the matter. A direct interest is a specific interest of a person or entity in a particular matter, provided that an interest that is common to entities in a Director's Market Segment or a general interest of some or all Market Participant Directors in a matter does not constitute direct interest. Any disclosure of a direct interest by a Director shall be noted in the minutes of the Board meeting at which the direct interest is disclosed. Mere attendance at the meeting, without participating in discussion of the issue raising the potential conflict, shall not constitute participation.

ERCOT may not make any loan to a Director or officer of ERCOT. A Member, Director, TAC Representative, officer, or subcommittee member of ERCOT may lend money to and otherwise transact business with ERCOT except as otherwise provided by these Bylaws, the Articles of Incorporation, and applicable law. Such a person transacting business with ERCOT has the same rights and obligations relating to those matters as other persons transacting business with ERCOT. ERCOT may not borrow money from, or otherwise transact business with, a Member, Director, TAC Representative, officer, or subcommittee member of ERCOT unless the transaction is described fully in a legally binding instrument and is in ERCOT's best interests. ERCOT may not borrow money from, or otherwise transact business with, a Member, Director, officer, TAC Representative or subcommittee member of ERCOT without full disclosure of all relevant facts and without the Board's approval, not including the vote of any person having a personal interest in the transaction.

- (i) Take any action, without written notice to Members and reasonable time for Members to respond, that would cause another ERCOT Member that is not a "public utility" under the Federal Power Act or ERCOT itself to become a "public utility" under the Federal Energy Regulatory Commission ("FERC") rules or become subject to any plenary jurisdiction of FERC.

Violations of these prohibited acts may lead to sanction, suspension, expulsion or termination after a hearing as described in Article 3 of these Bylaws.

Except as provided below, no such person shall receive any salary or other compensation from ERCOT.
- (b) The Board shall have the authority to fix the compensation of its Unaffiliated Directors who may be paid a fixed sum plus travel expenses for attendance at each meeting of the Board, or a stated compensation as a member thereof, or any combination of the foregoing. Unaffiliated Directors, who are members of standing or special committees, may be allowed like compensation and travel expenses for attending committee meetings. Unaffiliated Directors and Consumer Directors may be reimbursed for registration, travel, lodging and related expenses for training activities and shall be reimbursed for travel lodging and related expenses for attending each meeting of the Board. Such reimbursement shall be in accordance with ERCOT policies on appropriate and reasonable travel expenses.
- (c) The Board shall fix the compensation for the appointed Residential Consumer TAC Representative for attendance at each meeting of the Board, TAC, TNT, or any standing or special committee of such on an annual basis. To be effective, the Budget must be approved by an act of the Board as set forth in Section 4.7. The representatives of each Member shall be promptly notified of the Budget following adoption of the Budget by the Board. A separate budget for the TRE (“TRE Budget”) shall be prepared each fiscal year, in accordance with the Delegation Agreement.

Section 10.4 Loans and Guarantees. Neither participation in the activities of ERCOT nor any provision of these Bylaws or of the Articles of Incorporation shall be deemed to constitute a pledge or loan of the credit of any Member for the benefit of ERCOT or a guarantee by any Member of any obligation of ERCOT.

Section 10.5 Access to Books and Records. All Members of ERCOT will have access to the books and records of the organization, including financial statements and budgets; however, the Board shall establish procedures by which a Member, upon written demand stating the purpose of the demand may examine and copy the books and records of ERCOT. If necessary to protect the confidential information of ERCOT, a Member requesting examination of ERCOT’s books and records may be required to sign a confidentiality and non-disclosure agreement before viewing such information. The procedures shall include policies that provide reasonable protection against the unnecessary disclosure of information related to individual employees, including their compensation.

Section 10.6 Audit. At least annually, an audit of the financial statements of ERCOT shall be performed by the Auditor approved by the Board. In addition, the separate financial statements of the TRE will be reviewed or audited annually. The Auditor’s opinion and the audited financial statements will be made available to all Members as described in Section 10.5.

A person may change his or her address in the corporate records by giving written notice of the change to the CEO.

Section 12.2 Signed Waiver of Notice. Whenever any notice is required by law or under ERCOT's Articles of Incorporation or these Bylaws, a written waiver signed by the person entitled to receive such notice is considered the equivalent to giving the required notice. A waiver of notice is effective whether signed before or after the time stated in the notice that was to be given.

Section 12.3 Waiver of Notice by Attendance at a Meeting. Attendance at a meeting shall constitute a waiver of notice of such meeting, except where attendance is for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

Section 12.4 Objection. If any person, who is a voting member of a group holding a meeting, reasonably objects to the transaction of business regarding a specific issue, or issues, at a meeting on the grounds that the meeting is not properly called or convened or that the issue, or issues, was improperly noticed, the issue or issues in question may not be addressed at that meeting. - (d) Corporate Members must vote to enact the Board-approved amendment by the following voting procedure:
  - (1) For the purposes of voting on Bylaws, each Segment shall have one whole vote.

    - (i) Residential Consumers
    - (ii) Commercial Consumers
    - (iii) Industrial Consumers

Section 14.2 Legal Construction. Any question as to the application or interpretation of any provision of these Bylaws shall be resolved by the Board. To the greatest extent possible, these Bylaws shall be construed to conform to all legal requirements and all requirements for obtaining and maintaining all tax exemptions that may be available to nonprofit corporations. If any Bylaw provision is held invalid, illegal, or unenforceable in any respect, the invalidity, illegality, or unenforceability will not affect any other provision, and these Bylaws will be construed as if they had not included the invalid, illegal, or unenforceable provision.

Section 14.3 Headings. The headings used in these Bylaws are for convenience and may not be considered in construing these Bylaws.

Section 14.4 Number and Gender. All singular words include the plural, and all plural words include the singular. All pronouns of one gender include reference to the other gender.

Section 14.5 Parties Bound. These Bylaws will bind and inure to the benefit of the Members, Directors, TAC Representatives, officers, subcommittee members, employees, and agents of ERCOT and their respective administrators, legal representatives, successors, and assigns except as these Bylaws otherwise provide.

For any meeting of the Board, TAC or any subcommittee of the Board or TAC, a Segment Alternate or designated alternate representative, where permitted by these Bylaws, attending in place of a member shall be counted towards a quorum, while proxies shall not be counted towards a quorum. For any meeting of the Corporate Members, proxies shall count towards a quorum. “Seated” members of the Board, TAC, and subcommittees shall mean members, or their designated alternate representatives when serving in their stead (if applicable), that are currently serving, having been selected in accordance with these Bylaws, regardless of attendance at meetings. Vacant positions shall not be considered “Seated” members.

Abstentions do not affect calculation of a quorum. Absences do not decrease the number of votes required for action.

Section 14.8 Actions Without a Meeting and Meetings by Telephone. Unless otherwise provided by law, any action required or permitted to be taken at any meeting of the Corporate Members, TAC Representatives or any subcommittee of TAC may be taken without a meeting, if a consent in writing, setting forth the action to be taken, is signed by a sufficient number of Corporate Members, TAC Representatives or subcommittee members as would be necessary to take that action at a meeting at which all of the Corporate Members or subcommittee members were present and voted.
