

Texas Regional Entity Standards Report

Texas RE Board of Directors

October 19, 2009

- SAR-003 Draft Regional Standard BAL-001-TRE
 - This standard drafting team has two meetings scheduled in November 2009 with a goal of having a second draft to show to the Reliability Standards Committee on December 2.
 - The RSC may vote to move it forward to a second comment period or may vote to move it to ballot depending on the significance of changes from draft one to draft two.
