# Market Guide Voting Summary

## January 2009 – August 2010

---

- 87 Guide Revision Requests (xGRRs) approved since 01/01/09
  - 94% (82 xGRRs) were unanimously approved
  - Unanimous approval category includes 9 xGRRs that were Administrative Guide Revision Requests
    - The guide revision process allows for ERCOT to file Administrative xGRRs to correct items such as section references.
    - Administrative xGRRs are posted for comment for a specified period of time. If no comments are received, they are incorporated into the next monthly guide posting.
    - For purposes of this review, Administrative xGRRs that did not receive any comments are considered a unanimous vote.
  - 7 of the 87 were finally approved by the Board
    - 4 were unanimously approved on consent agenda
    - 3 were unanimously approved on regular agenda
