ERCOT Board of Directors Meeting Date: April 19, 2011

Agenda Item No.: 19a

Issue:

Whether to approve the 2011 ERCOT KPI Matrix as recommended by ERCOT Staff.

Background/History:

The ERCOT leadership team has annually developed specific goals and objectives to drive performance of the organization. These goals, along with the specific measurement metrics, are outlined in the 2011 KPIs. The KPIs are reviewed on a quarterly basis and are used to measure the successful performance of the organization. It is important that the leadership team and the ERCOT Board of Directors (Board) are aligned on the specific goals and focus of ERCOT for 2011.

The Human Resources and Governance (HR&G) Committee will be considering whether to recommend that the Board approve the 2011 KPIs as presented at its meeting on April 18, 2011.

Key Factors Influencing Issue:

The 2011 KPIs correlate to ERCOT's strategic direction of the Board and provide performance measures to the Board and ERCOT leadership and staff.

Alternatives:

- Approve the 2011 KPIs as presented;
- Instruct ERCOT leadership team to modify the 2011 KPIs; or
- Instruct ERCOT leadership team to utilize a different tool for identifying and measuring performance.

Conclusion/Recommendation:

The ERCOT leadership team respectfully recommends that the HR&G Committee recommend approval and that the ERCOT Board approve the 2011 KPIs as presented.
