## BUSINESS INTEGRATION

- Continue to work with ERCOT staff and Market Participants on Non-spin, Storage, and Look Ahead SCED

## WHOLESALE MARKETS

- ERCOT performed a back-cast analysis of the stakeholder Non-Spinning Reserve pricing proposals in order to provide information on the dollar impact the proposals would have had on the peaker net margin.

## CYBER SECURITY

- ERCOT met with the FBI on September 7, 2011, to review a classified briefing on the current cyber threat analysis to the grid

## HUMAN RESOURCES

- The ongoing wildfires forced evacuations for several ERCOT families and claimed the homes of two employees. Boxes for monetary donations have been placed on security desks of both the Taylor and MET locations. Money collected will go directly to affected ERCOT employees. Donation boxes for non-monetary items to be donated to the Red Cross have been placed in the lobbies of TCC1, TCC2, and the MET. Many thanks for the generous responses received from the ERCOT Community Involvement Committee.

# STUDENT MENTORING VOLUNTEER FAIR – SEPTEMBER 7<sup>TH</sup>

---

One focus of ERCOT's Community Involvement Committee (CIC) is student mentoring. The CIC recently hosted a Student Mentoring Volunteer Fair in Taylor. Employees were encouraged to attend to meet our existing 24 ERCOT employee mentors and to learn more about how they can participate. We also had 20 guests from various Taylor initiatives participate.

**“Most successful professionals have had some sort of mentor in their life. Student mentoring gives employees the opportunity to give back, help out a child, and be a good corporate citizen.” – Trip Doggett**

MAPS (2<sup>nd</sup> grade reading program) – 11 mentors

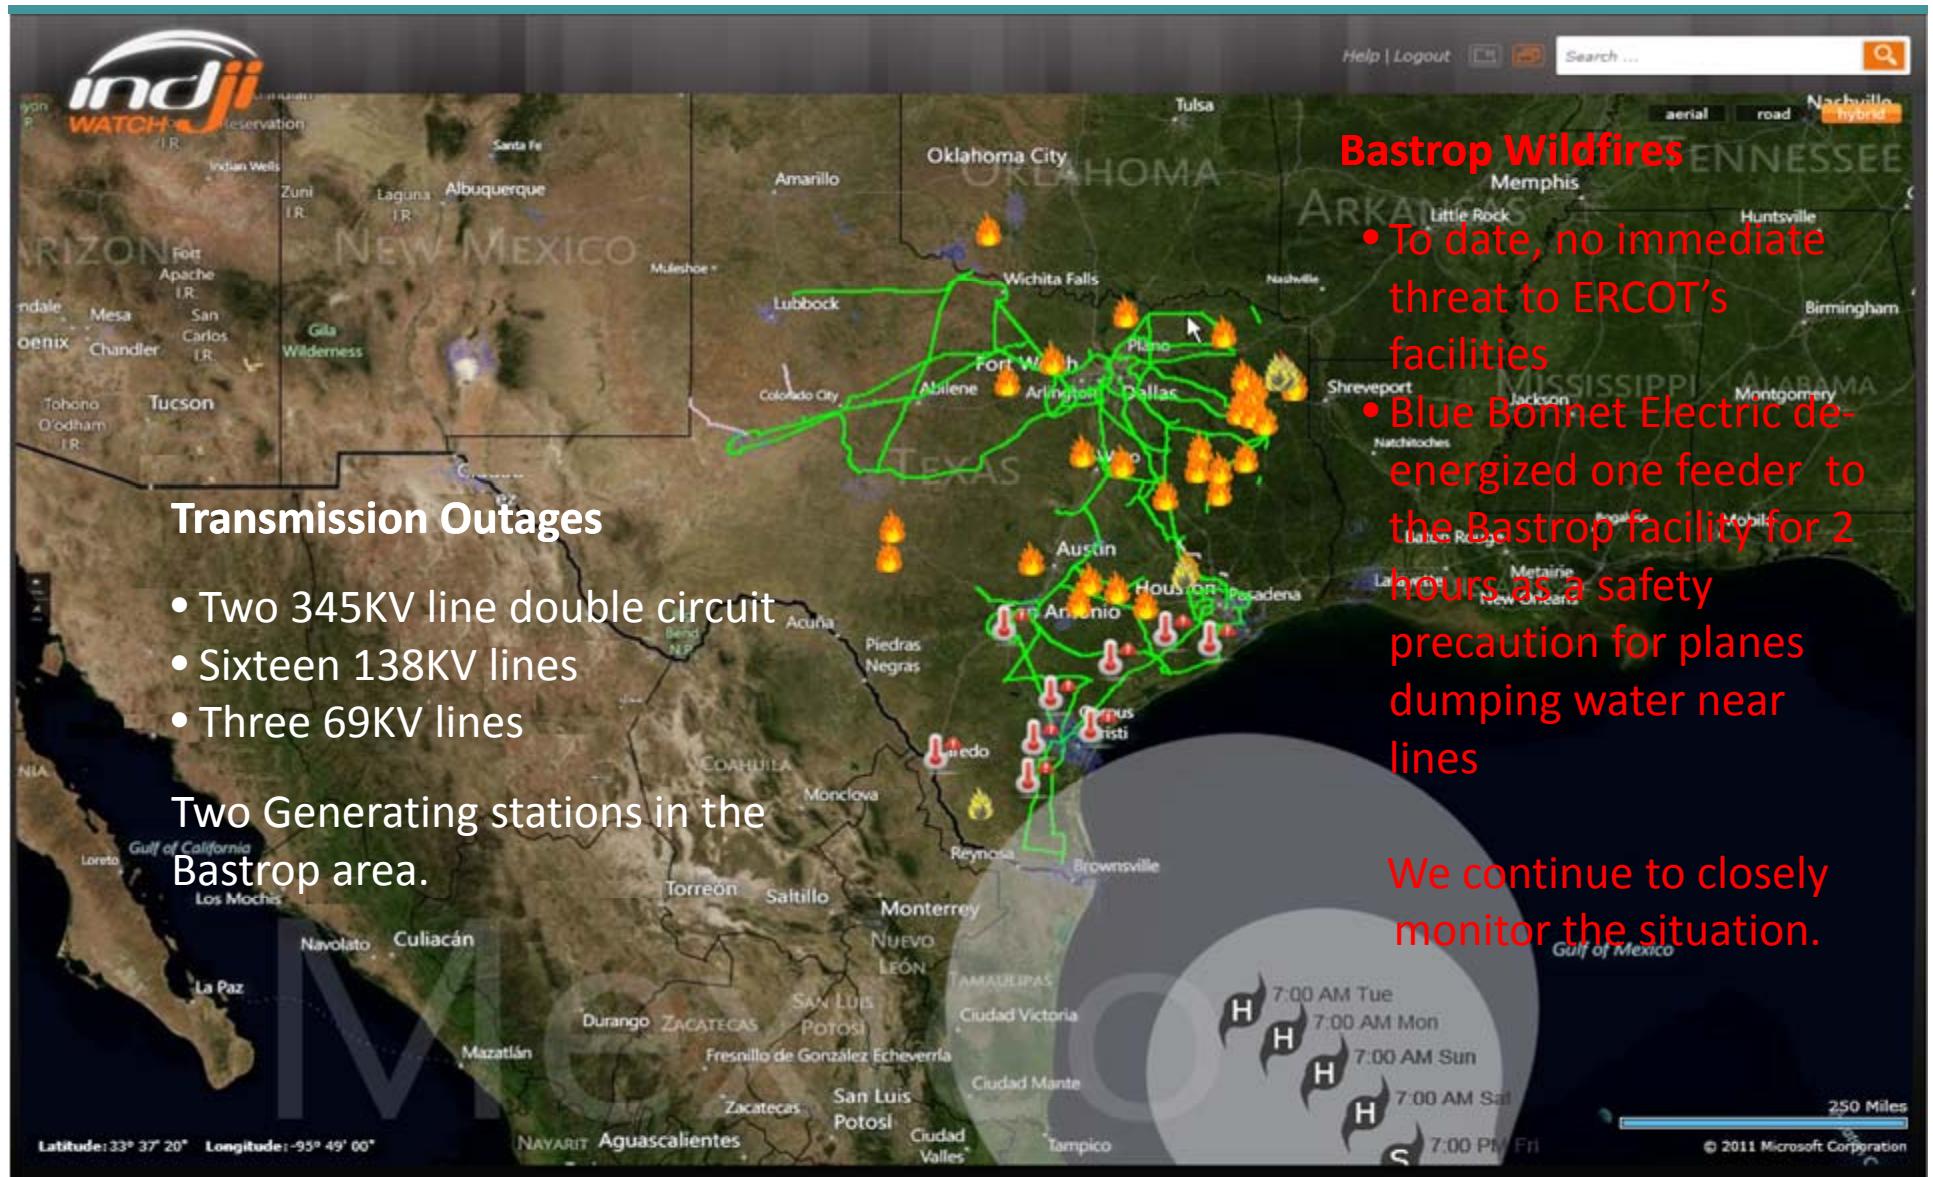

MUNCH (3<sup>rd</sup> – 12<sup>th</sup> grade mentoring at lunch) – 12 mentors

Duck University (variety of after school programs) – 4 mentors

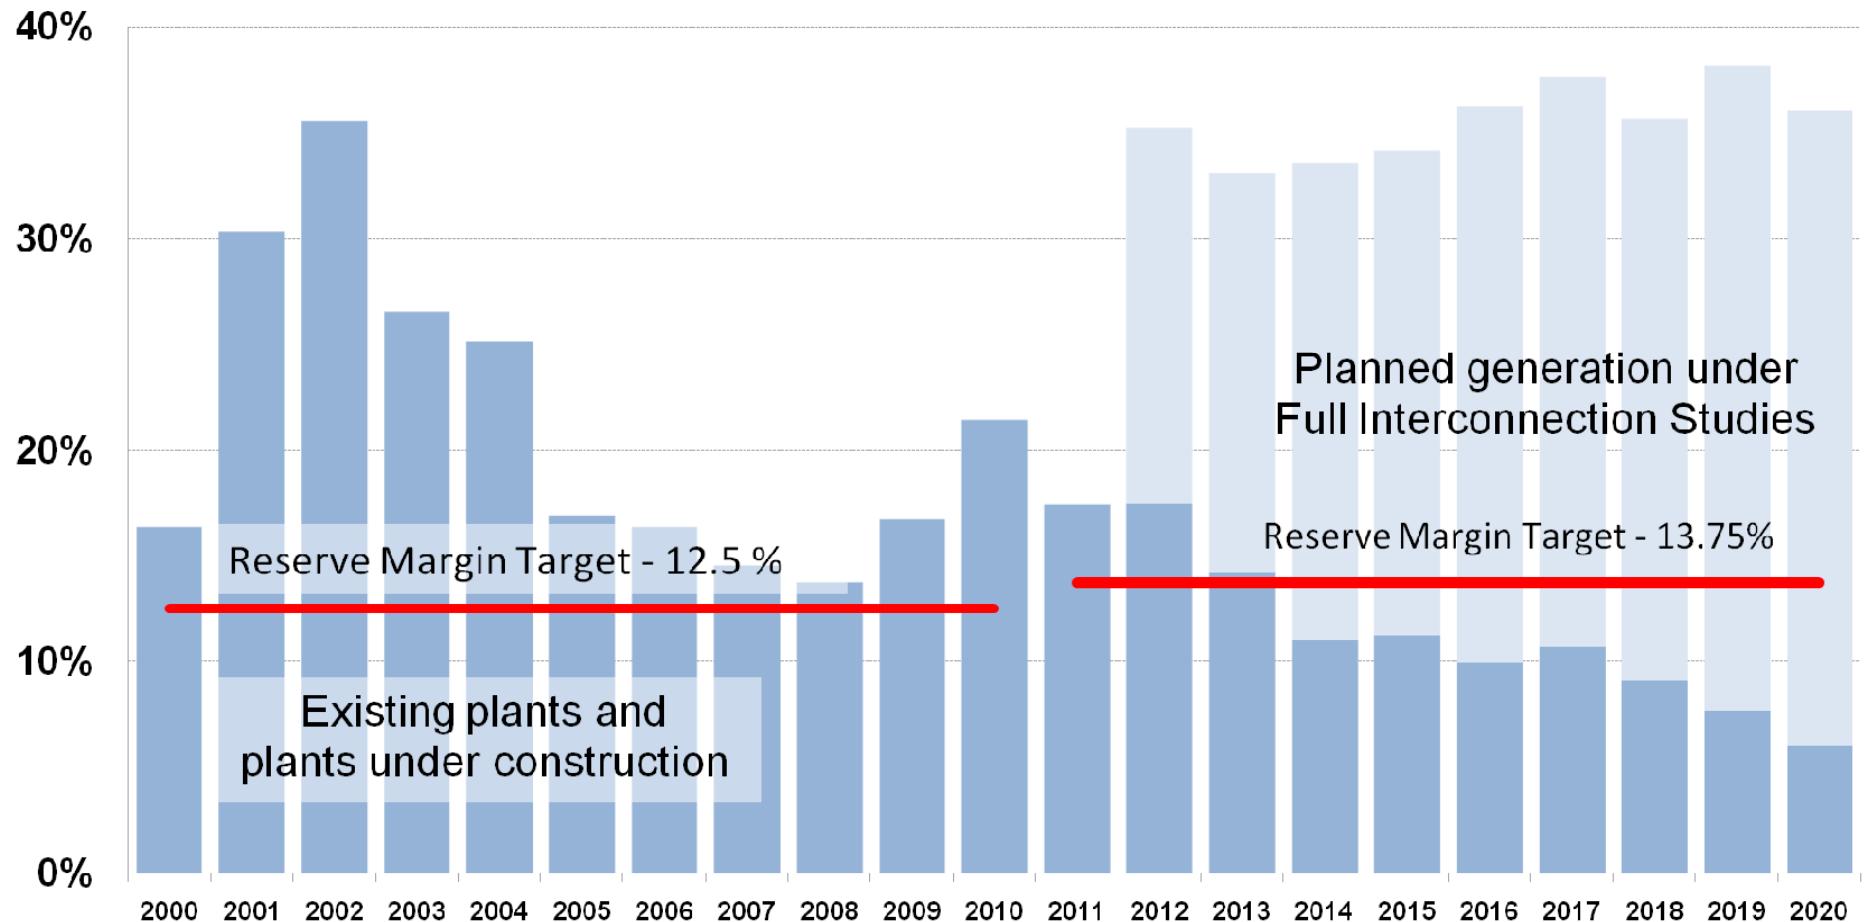

BLADEs (Beginners Learning Alternative Designs for Energy) – 25 mentors

ERCOT Community Involvement Committee – 6 volunteers
