

New Sharyland DUNS – CR Testing Requirements

Sharyland Transition Task Force Meeting
January 11, 2013

Existing CRs

The following scripts will be tested in Flight 0613 or later with the new Sharyland DUNS.

- SCR33
- DOA01 (Service Order Option 1 CR only)
- DOA02 (Service Order Option 2 or 3 CR only)
- CON51
- CON52
- CON56 (with ERCOT only)

New CRs

The following scripts will be tested in Flight 0613 or later.

- New CR track or equivalent (round robin testing) with the existing Sharyland DUNS
- CON51 and CON52 with the new Sharyland DUNS

Connectivity Schedule

- Flight 0613 – Connectivity testing May 21 – Jun. 14
- Flight 1013 – Connectivity testing Sept. 17 – Oct. 4

NOTE: These dates are based on the 2013 Approved Test Flights schedule. Existing CRs should be able to test with the new Sharyland DUNS (time permitting) after the flight has started if they do not sign up before the deadline.

Test scripts can be found on the Retail Testing Website (RTW).
