Item 5: Recommendation Regarding Committee Charter

Karl V. Pfirrmann

Chairman, Human Resources and Governance Committee

Human Resources and Governance Committee Meeting

ERCOT Public

May 13, 2013

Request for Vote

The Human Resources and Governance (HR&G) Committee considered modifications to its Charter at its March 18, 2013 meeting.

Since that time, one additional set of revisions has been suggested as illustrated in the May 14, 2103 Board of Directors (Board) meeting materials.

At its May 13, 2013 meeting, the HR&G Committee may be requested to vote to recommend that the Board approve modifications to the HR&G Committee Charter as discussed at its March 18th and May 13th meetings.

Date: May 7, 2013
To: Board of Directors
From: Karl Pfirrmann, H.R. and Governance (HR&G) Committee Chair
Subject: HR&G Committee Charter

Issue for the ERCOT Board of Directors

ERCOT Board of Directors Meeting Date: May 14, 2013

Agenda Item No.: 11.1

Issue:

Whether to approve any revisions to the HR&G Committee Charter.

Background/History:

The HR&G Committee Charter requires that the HR&G Committee review and assess the adequacy of the HR&G Committee Charter annually and recommend any proposed changes to the Board.

The HR&G Committee reviewed the HR&G Committee Charter at its January 14, 2013 and March 18, 2013 meetings. The HR&G Committee is expected to consider proposed revisions to the HR&G Committee Charter at its May 13, 2013 meeting.

Proposed revisions to the HR&G Committee Charter which are intended to better track the current practices of the HR&G Committee were provided as part of the March 19, 2013 Board of Directors (Board) meeting materials. These revisions were prepared by ERCOT Legal in an effort to identify more easily the Committee's duties and responsibilities, the minimum frequency of review of such matters, and identification of whether such matters require recommendations to the Board for approval. While the proposed format of the HR&G Committee Charter has changed significantly, the intent was to retain the content as currently constructed or consistent with historic practice. Andrew Dalton, current HR&G Committee member and past HR&G Committee Chair, also suggested that minimum frequency of review of topics should be better defined by including an outer limit, for example, "Periodically, but not less frequent than X months {or X years}". In addition, ERCOT staff suggested a revision relating to the review (rather than approval or ratification) of ERCOT benefit plans.

Since March 2013, one additional set of revisions has been suggested by Mr. Dalton and ERCOT staff to address the HR&G Committee's review of ERCOT's severance policy. The additional set of edits suggested by Mr. Dalton and ERCOT staff have been identified in red-lined format in a clean copy of the Committee Charter incorporating all changes proposed to the HR&G Committee and the Board in March and May 2013, for easier viewing, as *Attachment A*.

At its May 13, 2013 meeting, the HR&G Committee may recommend that the Board adopt, reject, or amend the revisions to the HR&G Committee Charter at the May 14, 2013 Board meeting.

Key Factors Influencing Issue:

The HR&G Committee Charter identifies the functions that the HR&G Committee is to perform and is reviewed annually to ensure that the HR&G Committee continues to address relevant issues and to assist the Board in providing necessary oversight consistent with fiduciary duties.

Conclusion/Recommendation:

The HR&G Committee is expected to review these proposed changes to the HR&G Committee Charter at its May 13, 2013 meeting, and is expected to recommend to the Board whether any HR&G Committee Charter revisions should be made. If the HR&G Committee recommends revisions to the HR&G Committee Charter, then it is expected that the HR&G Committee will recommend that the revisions become effective upon approval by the Board.
