

Wholesale Market Subcommittee Update

Prepared for the Technical Advisory
Committee

December 3rd, 2013

Voting Item

Minimum Point-to-Point Option Bid Price

- WMS endorsed the ERCOT recommendation to leave the value at \$.01/MWh
- Relevant protocol sections
 - Section 2
 - Section 7.7.1
 - “The Technical Advisory Committee (TAC) and the ERCOT Board shall review the current Minimum PTP Option Bid Price at least every January and may recommend to the ERCOT Board changes to these values by submitting a Nodal Protocol Revision Request (NPRR).”

Other Item Update

TAC Goals

- WMS is working on a set of comments for the draft TAC goals.
- We expect to have our comments finalized in December for January TAC review.
