

Wholesale Market Subcommittee Update

Prepared for the January 28th TAC
meeting

One Voting Item

Verifiable Cost Manual Revision Request (VCMRR)

- VCMRR001 Submission of Fuel Costs
 - WMS motion: To recommend approval of VCMRR001 as submitted.
 - Passed with one abstention
- THE VCMRR revises the NPRR 485 grey box language regarding the process for establishing an actual fuel adder for difference between average fuel price paid and FIP.
