# 2014 RDWG Leadership

- Chair – John Palen, NRG Energy
- Vice Chair – Taylor Woodruff, Oncor Electric Delivery

# MP Online Data Entry Project

- RDWG supporting project
- Will coordinate workshops as needed
- ERCOT performing cost-benefit analysis. Need potential savings and efficiencies from Market Participants

# Review of Resource Registration Glossary

- Purpose
  - Identify the need for RARF data elements
  - Review applicability (Required, Conditional, Optional)
  - Identify the requirement bases for those elements
  - Communicate these elements to the market effectively
- Task Process
  - Identify which elements, or range of elements will be reviewed during each meeting
  - Communicate these elements before each meeting to provide MPs/ERCOT sufficient lead time for evaluation/response
  - Present consensus decision to ROS for Data Glossary revision action.
