

# RDWG Update to ROS

4/3/2014

# Review of Resource Registration Glossary

- Completed review of General and Site Information tab elements.
- Should complete the General Site ESI ID RARF form elements at the next RDWG meeting
- Resource Registration Guide is being reviewed concurrently with the Glossary

# ROS Open Action Item Assignment

- 1/28/14  
“Coordinate with ERCOT the need to add Wind Resource temperature limits to the RARF”
- Working with ERCOT Operations Planning to determine necessary revision language
- Anticipate submission of RRGRR from ERCOT soon, and RDWG consideration at the regularly-scheduled May 2014 meeting.

# Next Meeting

- April 21, 2014  
09:30 – 15:30  
ERCOT Austin Room 168
- Complete the review of General\_Site\_ESIID  
RARF form data elements
