AMWG Issue cross-reference number:		Market Guide or other Market Impact (Y/N): N

Detailed Description and Reason for Proposed Change(s):

Currently, during the Agreement invitation process, the error messages displayed in the Portal invitation page are a list of generic reasons for failure, instead of a specific reason (s). REPs and 3rd Parties do not know if the error is due to user error or invalid data provided by their customers. Knowing the specific reason (s) for failure will allow quicker diagnosis and resolution of the situation, enhancing the experience of the REPs, 3rd Parties, and customers.

Proposed Solution: Provide the specific reason (s) for invitation failure.

NOTE: Requester must complete above fields and include a redlined example of modifications to each impacted implementation guide. This must be included at the time the request form is submitted.

Please submit this completed form via e-mail to [AMWG Leadership](#) and RMS Chair.
