Subject: Human Resources and Governance (HR&G) Committee Charter

Issue for the ERCOT Board of Directors

ERCOT Board of Directors Meeting Date: February 9, 2016

Item No.: 12.1

Issue:

Whether to recommend and approve any changes to the HR&G Committee Charter.

Background/History:

The HR&G Committee Charter requires that the HR&G Committee review and assess the adequacy of the HR&G Committee Charter (Charter) annually and recommend any proposed changes to the Board of Directors (Board). ERCOT Legal proposes revisions to the current Charter, as illustrated in *Attachment A*, for the HR&G Committee's consideration. The current Charter without any revisions is provided simply for reference as *Attachment B*.

ERCOT Legal and Human Resources propose revisions which are intended to better organize and clarify, and which do not materially modify, existing Committee responsibilities. Highlights of the reorganization and clarifications include:

- Reorganization of general employment agreement review under Section 1.a. (related to compensation) while omitting specific references to retention agreements or severance policy review;
- In line with the organizational chart, clarification that the CEO will report on the performance and compensation of his direct reports;
- Removing the reference to the Committee's report to the Board for any disagreement regarding the Benefits Committee annual status report since this is an option always available to the Committee for this and other matters;
- In addition to existing requirements for Board recommendations, clarification that Board recommendations are necessary for proposed modifications of the governing documents, governance structure and periodicity of meetings, Unaffiliated Director compensation and expense reimbursement, and changes to Unaffiliated Director succession planning; and
- Merging of four Strategic Plan Initiative columns into one column which identifies alignment with Strategic Plan Initiative 4.

The HR&G Committee is expected to recommend that the Board approve the existing the Charter or any revisions to the Charter proposed by the HR&G Committee at the February 9, 2016 Board meeting.

Key Factors Influencing Issue:

The HR&G Committee Charter identifies the functions that the HR&G Committee is to perform and is reviewed annually to ensure that the HR&G Committee continues to address relevant issues and to assist the Board in providing necessary oversight consistent with fiduciary duties.

Conclusion/Recommendation:

The HR&G Committee is expected to review the Charter at its meeting on February 8, 2016, and is expected to recommend to the Board of Directors whether any Charter revisions should be made. If the HR&G Committee recommends revisions to the Charter, then it is expected that the HR&G Committee will recommend that the revisions become effective upon approval by the Board.
