Financial Institutions which are Market Participants

- In November 2006, the ERCOT Board of Directors passed a resolution to allow ERCOT to use financial institutions that are market participants so long as any such financial institution has signed a confidentiality agreement acceptable to ERCOT. The Board further required disclosure to the Finance & Audit Committee of ERCOT's relationships with any such financial institutions.
- A qualified institution must meet the following requirements:
 - Maintain a senior debt rating at least the equivalent of A- by Standard & Poor's or A3 by Moody's Investor Service
 - Provide current audited financial statements to ERCOT treasury personnel
 - Maintain capital of not less than \$100 million
 - Maintain assets of not less than \$1 billion
