PETITION OF ELECTRIC RELIABILITY COUNCIL OF TEXAS, INC. FOR APPROVAL OF RE-ELECTION OF UNAFFILIATED DIRECTOR

Electric Reliability Council of Texas, Inc. (ERCOT) and, pursuant to 16 Tex. Admin. Code (TAC) § 25.362(g)(5), respectfully requests Commission approval of the re-election of Mr. Karl Pfirrmann to a third and final term as an Unaffiliated Director of the ERCOT Board of Directors (Board). Mr. Pfirrmann has been re-elected and approved as a director by the Corporate Members of ERCOT, and has met all requisite qualifications for service on the ERCOT Board. As discussed herein, ERCOT requests Commission approval of the re-election of Mr. Pfirrmann to serve on the ERCOT Board for a third and final term, beginning January 1, 2018.

I. BACKGROUND

In order for ERCOT to maintain certification as an independent organization under PURA § 39.151(g), the 16-member ERCOT Board must include “five members unaffiliated with any market segment and selected by the other members of the governing body to serve three-year terms.” The five “Unaffiliated Directors” are selected through a process that includes the following steps:

- The Nominating Committee of the ERCOT Board nominates candidates. The Nominating Committee consists of all members of the Board other than the ERCOT Chief Executive Officer (CEO) and the Chairman of the Commission.³

---

2 PURA § 39.151(g)(7).
3 See ERCOT Bylaws § 4.3(b)(1).
ERCOT provides notice to the Commission of the “candidates who have been identified and their qualifications, any recommendation that will be made to the ERCOT Board, and any other information requested by a commissioner.”

After consultation with the Commission and selection by the Nominating Committee, the nominated candidates are submitted to the ERCOT Corporate Members for approval. Corporate Members receive notice of a special meeting of the corporation called for consideration of the election, or re-election, of Unaffiliated Directors. If the requisite number of ballots are received by ERCOT prior to the special meeting (as occurred in this case), the meeting is cancelled and the results of the election are announced to the membership.

Unaffiliated Director nominees approved by ERCOT’s corporate membership are submitted to the Commission for final approval.

II. STATEMENT OF JURISDICTION AND AUTHORITY

The Commission has jurisdiction over this matter pursuant to PURA § 39.151 and 16 TAC § 25.362.

III. IDENTIFICATION OF APPLICANT

The name and address of the Applicant is Electric Reliability Council of Texas, Inc., 7620 Metro Center Drive, Austin, Texas 78744.

6 ERCOT Bylaws § 4.3(b)(4).
IV. THE SELECTION PROCESS FOR MR. PFIRRMANN COMPLIED WITH COMMISSION AND ERCOT GOVERNING RULES

PURA requires that ERCOT’s bylaws “prescribe professional qualifications for selection” as an Unaffiliated Director, and that “[t]he bylaws must require the use of a professional search firm to identify candidates for membership of unaffiliated members.”7 In addition, PURA requires that the selection process for Unaffiliated Directors “must allow for commission input in identifying candidates.”8 The selection process for Unaffiliated Directors is set forth in section 4.3(b) of the ERCOT Bylaws, and includes the requirements mandated by PURA. In addition, 16 TAC § 25.362(g)(5) includes standards that ERCOT must meet to ensure “commission input” in identifying Unaffiliated Director candidates.

Mr. Pfirrmann’s second term as an Unaffiliated Director on the ERCOT Board expires on December 31, 2017. The re-election of Mr. Pfirrmann to a third and final term, beginning on January 1, 2018 (to avoid a break in service on the ERCOT Board), subject to approval by the Commission, complied with the criteria established in PURA, Commission rules, and the ERCOT Bylaws. The ERCOT Bylaws require that Unaffiliated Directors must have “[e]xperience in one or more of these fields: senior corporate leadership; professional disciplines of finance, accounting, engineering or law; regulation of utilities; risk management; and information technology.”9 An Unaffiliated Director must also demonstrate “[i]ndependence of any Market Participant in the ERCOT Region,” including compliance with specific standards enumerated in the ERCOT Bylaws.10 After determining that Mr. Pfirrmann met ERCOT’s qualification and independence requirements, the Nominating Committee unanimously selected Mr. Pfirrmann for presentation to ERCOT’s Corporate Members for re-election as an Unaffiliated Director. A summary of Mr. Pfirrmann’s professional qualifications and credentials is attached hereto as Attachment A.

On February 17, 2017, pursuant to the direction of the ERCOT Board, ERCOT issued its notice of Special Meeting of Corporate Members to be held on April 3, 2017 (Special Meeting)

for the re-election of Mr. Pfirrmann (Attachment B). Corporate Membership voting for the Unaffiliated Director candidate was conducted pursuant to the ERCOT Bylaws procedures requiring approval by a majority of Member Segments (i.e., at least four out of seven Member Segments). Mr. Pfirrmann received the requisite number of Corporate Member votes by ballot upon the conclusion of voting on March 10, 2017, in lieu of the Special Meeting, to be re-elected as an Unaffiliated Director for a final three-year term.

Having completed all other steps in the nomination and election process, ERCOT now requests Commission approval of Mr. Pfirrmann for re-election to a final three-year term, beginning on January 1, 2018, as an Unaffiliated Director.

V. NOTICE PROVIDED BY ERCOT

ERCOT will post its Petition for Approval of Re-election of an Unaffiliated Director to its website at http://www.ercot.com/about/governance/legal_notices; provide notice to Market Participants of ERCOT Petition filings with the PUC by issuing a Market Notice to the NOTICE_LEGAL_NOTIFICATIONS Listserv; and provide Notice of its Petition via electronic mail to ERCOT’s email exploder lists of committees as follows:

- ERCOT Board of Directors and Others;
- Technical Advisory Committee and Others (TAC);
- Retail Market Subcommittee (RMS);
- Wholesale Market Subcommittee (WMS);
- Reliability and Operations Subcommittee (ROS);
- Commercial Operations Subcommittee (COPS); and
- Protocol Revisions Subcommittee (PRS).

ERCOT will file an affidavit attesting to the completion of its proposed notice.

---

11 § 4.3(b)(4).
VI. REQUEST FOR PROCEDURAL SCHEDULE

Since Mr. Pfirrmann’s second term expires on December 31, 2017, ERCOT seeks to seat Mr. Pfirrmann as a re-elected Unaffiliated Director by January 1, 2018, if possible, to avoid any disruption in Mr. Pfirrmann’s service to the Board. In order to facilitate Commission approval of Mr. Pfirrmann by that time, ERCOT proposes the following procedural schedule, which aims toward approval of the re-electing of an Unaffiliated Director at the Commission’s July 28, 2017 Open Meeting.

ERCOT proposes the following procedural schedule:

VII. CONCLUSION

ERCOT respectfully requests that the Commission approve the re-election of Ms. Walsh to a third and final three-year term, beginning on January 1, 2018, as an Unaffiliated Director for the ERCOT Board, adopt the procedural schedule requested by ERCOT in this Petition, and grant ERCOT all other relief to which it is entitled.

Chad V. Seely
Biography of Karl Pfirrmann

Karl Pfirrmann served in the electric utility industry for more than 38 years in leadership positions at Allegheny Energy and later the PJM Interconnection. During his tenure with PJM, he focused on expanding PJM from its traditional eastern seaboard presence to its current operating area encompassing much of the Mid-Atlantic and Mid-Western regions, developing PJM’s operational capabilities, and leading PJM during its transition between CEO’s. At Allegheny, Mr. Pfirrmann held leadership positions in engineering, construction, and operations in both the transmission and distribution areas of the business. Since his retirement in 2010, Mr. Pfirrmann has continued to advise clients on electric industry technical and public policy issues.

Mr. Pfirrmann is a resident of Greensburg, Pennsylvania, holds a bachelor of science degree in electrical engineering from Carnegie-Mellon University, and is a Registered Professional Engineer in Pennsylvania.

ERCOT Corporate Member:

On February 13, 2017, the ERCOT Nominating Committee (Committee) of the ERCOT Board of Directors (Board) unanimously selected Craven Crowell, Karl Pfirrmann and Judy Walsh for re-election as Unaffiliated Directors to serve their third and final terms on the Board, beginning January 1, 2018, subject to election by the ERCOT Corporate Members (Members) and approval by the Public Utility Commission of Texas (PUCT). Information regarding the three Unaffiliated Director nominees’ professional experience is attached for your review and consideration as Attachment 1.

According to Sections 3.7(b) and (g) of the Bylaws, the Board may call a Special Meeting of the Corporate Members (Special Meeting) to seek approval without an in-person meeting. As provided in Section 3.7(g): “Unless otherwise provided by law, any action required or permitted to be taken at any meeting of the Corporate Members may be taken without a meeting, if a consent in writing, setting forth the action to be taken, is signed by a sufficient number of Corporate Members as would be necessary to take that action at a meeting at which all of the Corporate Members were present and voted.”

On February 14, 2017, the Board called a Special Meeting as soon as practicable to vote on the re-election of Mr. Crowell, Mr. Pfirrmann and Ms. Walsh as Unaffiliated Directors. Thus, on Monday, April 3, 2017, at 10:00 a.m. in Room 206 at 7620 Metro Center Drive, Austin, Texas 78744, a Special Meeting will be held for the purpose of voting on the above-mentioned re-election of the three Unaffiliated Directors.

We are seeking Corporate Membership approval to have the vote in writing, in lieu of a Special Meeting. Please review the enclosed Official Consent and Ballot form (Ballot). If you agree to take action on the re-election of the three Unaffiliated Directors without a Special Meeting, please indicate your voting preference, sign the Ballot and return it to ERCOT by 5:00 p.m. on Friday, March 10, 2017. After 5:00 p.m. on Wednesday, March 15, 2017, we will count the Ballots received to determine if we have a sufficient number on the re-election of the three Unaffiliated Directors. We will post a notice of either a successful vote or of the need to have the April 3, 2017 Special Meeting on the ERCOT website at http://www.ercot.com/calendar/2017/4/3/118844, no later than Thursday, March 16, 2017 at 12:00 p.m.

Please note that the requested vote requires approval by the Members and the PUCT prior to becoming effective. So that the vote may be approved as soon as possible by the Members and the PUCT, please indicate your vote in favor or against the voting matter, sign the Ballot, and make every effort to return it to ERCOT as noted on the Ballot no later than 5:00 p.m., Friday, March 10, 2017.

Sincerely,

Tisa Wilkins
