English	10-Feb-17	<p>You've done a wonderfull job in this program. to serve people to conserve energy & improve living habits; however; it could stand some improvements or additions, such as: o. adding the average temperature for the City o. improving the updates to two or three times daily, ultimately to instant very soon. o. if possible, distinguishing between daily and weekends reading, color is enough. Thanks again for a nice site that would help residents improve in their energy spending.</p> <p>Wish you well Fathi</p>
