

SAWG August Meeting – CONE Study

- ERCOT spoke to Brattle to get an estimate based on an “bottom-up” approach specific to ERCOT
 - Cost estimate of \$230,000-\$260,000
 - Time estimate of 3-4 months
- **SAWG Recommendation**
 - Perform this type of study every 4 years (every other LTSA)
 - Use an RFP for a vendor
 - Implement the value with the calendar year
- **Next Steps:**
 - SAWG recommends this as a voting item for October WMS
