Section 1.1 Principal Office. The principal office of Electric Reliability Council of Texas, Inc., a Texas non-stock, non-profit corporation (“ERCOT”), shall be located at such place in Texas as the ERCOT Board of Directors (the “Board”) may determine. Additional offices may be established and maintained at such place or places as the Board may from time to time designate.

Section 1.2 Registered Office and Registered Agent. ERCOT will maintain a registered office and a registered agent in Texas. The Board may change the registered office and the registered agent as permitted by the Texas Business Organizations Code, including Chapter 22 thereof (Nonprofit Corporations).

ARTICLE 2 DEFINITIONS

For purposes of these Bylaws, the following definitions apply:

1. **Affiliate.** “Affiliate” shall mean, with respect to any person, any other person who, directly or indirectly, through one or more intermediaries: (i) controls, is controlled by, or is under common control with such person, as set forth in Subsection (B) below; or (ii) exercises substantial influence over such person, is substantially influenced by such person, or is under common substantial influence with such person, as set forth in Subsection (C) below. Membership in ERCOT shall not create an affiliation with ERCOT.

(A) Construction

As used in this definition:

(x) “party” shall mean any individual, corporation, limited liability company, partnership, firm, joint venture, association, joint stock company, trust, unincorporated organization, or other entity;

(y) “person” shall mean any party, but shall exclude electric cooperatives and all of the entities listed in Section 11.0042(a)(1)-(4) of the Public Utility Regulatory Act (“PURA”), as well as the entities listed in PURA § 11.0042(a)(5) if the conditions in PURA §11.0042(a)(5)(A) and (B) are satisfied; and

(z) “controls”, “controlled by”, or “under common control with” shall mean the possession by a person, directly or indirectly, through one or more intermediaries, of the power to direct or cause the direction of the

management and/or policies and procedures of another person, whether through voting securities, contract or otherwise.

(B) *Affiliation Through Control*

Ownership by a person of equity securities (whether publicly traded or not) of another person shall result in a presumption of no control for purposes of this definition if:

1. the holder owns (in its name or via intermediaries) less than twenty percent (20%) of the outstanding securities of the person; or
2. the holder owns (in its name or via intermediaries) twenty percent (20%) or more of the outstanding securities of the person, and:
 - a. the securities are held as an investment;
 - b. the holder does not have representation on the person's board of directors (or equivalent governing body) or vice versa; and
 - c. the holder does not in fact exercise influence over day to day management decisions.

An ownership interest of twenty percent (20%) or more without all of the conditions set forth in Subsection (B)(2)(a) through (c) above shall create a presumption of control that may be challenged pursuant to Subsection (D) below.

For purposes of determining whether two otherwise unrelated persons are affiliated based on a holder's ownership of equity securities of both persons, the holder's ownership interest shall not result in common control for purposes of this definition if such holder's ownership meets the foregoing conditions for either person.

(C) *Affiliation Through Substantial Influence*

A person who is not controlling, controlled by or under common control with another person as described in Subsection (B) above, may nonetheless be determined by the Board, pursuant to Subsection (D) below, to be an Affiliate of another person, if allegations brought before the Board are substantiated that such person, directly or indirectly, through one or more intermediaries, exercises substantial influence over such person, is substantially influenced by such person, or is under common substantial influence with such person. Such a determination may be made by the

Board only after notice and an opportunity for hearing at an ERCOT Board meeting as set forth in Subsection (D).

(D) *Procedure for Board Determinations Regarding Affiliation*

1. Any party may challenge the presumption of control pursuant to Subsection (B) above, or allege substantial influence pursuant to Subsection (C) above, to the Board pursuant to the procedure set forth in this Subsection (D).
2. The challenging party shall submit written notice of the challenge to ERCOT's General Counsel. Such written notice shall identify any persons that are the subject of the challenge and shall include a detailed summary of the facts supporting the challenge. ERCOT's General Counsel will provide a recommendation to the Board on the challenge.
3. The Board will hear such matter at the next regularly-scheduled Board meeting that is at least ten (10) business days after the date the written notice of challenge is received by ERCOT's General Counsel. Notice of the Board's consideration of the challenge shall be given pursuant to Section 4.6(b) of these Bylaws.
4. The Board shall have discretion to determine whether the persons who are the subject of the challenge are Affiliates of one another for purposes of these Bylaws by reference to the factors set forth in this definition and other persuasive evidence. The challenging party shall bear the burden of proof.

(E) *Changes in Affiliates*

No Member, either a Member organization or a Member representative, may be sanctioned, expelled or suspended, and no Membership or Memberships in ERCOT may be terminated or suspended except pursuant to the following procedure, which is intended to be fair and reasonable and carried out in good faith, absent a Board resolution providing an alternative procedure:

Any such proceeding before the Board will be subject to the hearing requirements described in paragraph (b) of this Section.

Section 3.9 Resignation. Any other provision of these Bylaws notwithstanding, any Member may withdraw from participation in the activities of ERCOT at any time upon written notice to the Secretary, whereupon it shall cease to be a Member, shall cease to be entitled or obligated to participate in the activities of TAC or any subcommittee of TAC and shall have no further obligations as a Member; provided, however, that if such notice is given more than thirty (30) days after such Member's receipt of its statement of Annual Member Dues for a fiscal year, the Member shall be obligated to pay its Annual Member Dues for the full fiscal year within which such termination is effective.

Section 3.10 Reinstatement. A former Member may submit a written request for reinstatement of Membership. The Board may choose to reinstate Membership on any reasonable terms that the Board deems appropriate.

Section 3.11 Property Ownership and Control. Subject to applicable laws, rules, regulations, agreements, and ERCOT Protocols, each Member shall retain sole control of its own facilities and the use thereof, and nothing in these Bylaws shall require a Member to construct or dedicate facilities for the benefit of any other electric system or allow its facilities to be used by any other Member, or to construct or provide any facilities for its own use, and nothing herein shall be deemed to impair the ability or right of any Member to take such actions or to fail to act, as it deems necessary or desirable, with respect to the management, extension, construction maintenance and operation of its own facilities, present and future. - (b) Provided a quorum is present at a meeting, the act of at least two-thirds of the affirmative votes of the Eligible Voting Directors shall be the act of the Board, unless the act of a greater number is otherwise required by law, the Certificate of Formation, or these Bylaws. If a quorum shall not be present at any meeting of the Board, the Directors present may adjourn the meeting.
- (c) For purposes of voting on the Board, Directors who abstain from voting shall not have their votes included in the total number of votes from which the requisite percentage of affirmative votes is required for action.
- (d) Directors (for urgent matters in accordance with Section 4.6) may participate in and hold a meeting by means of a conference telephone or other similar communications equipment, or another suitable electronic communications system, including videoconferencing technology or the Internet, or any combination, if the telephone or other equipment or system permits each person participating in the meeting to communicate with all other persons participating in the meeting. Participation in a meeting pursuant to this paragraph (d) shall constitute presence in person at such meeting, including for purposes of establishing a quorum, except where a person participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.
- (e) For non-urgent matters, at any meeting of the Board, provided that a quorum is present in person, Directors that are not present in person may participate in and vote at such meeting by means of a conference telephone or other similar communications equipment, or another suitable electronic communications system, including videoconferencing technology or the Internet, or any combination, if the telephone or other equipment or system permits each person participating in the meeting to communicate with all other persons participating in the meeting. Participation in a meeting pursuant to this paragraph (e) shall

constitute presence in person at such meeting, except for purposes of establishing a quorum, and except where such Director participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

Section 4.8 Subcommittees. The Board shall confirm the Representatives of TAC and may appoint subcommittees as it deems necessary and appropriate to conduct the business of ERCOT. The designation of subcommittees and the delegation thereto of authority shall not operate to relieve the Board or any individual Director of any responsibility imposed upon it or them by law.

Section 4.9 Other Appointments. If requested by the North American Electric Reliability Corporation (“NERC”), the Board shall elect, from among its members, persons to serve on the NERC Member Representatives Committee or its successor. The selection of the representatives shall require an act of the Board as set forth in Section 4.7. If more than one representative is requested, such representatives shall be from different Segments.

Section 4.10 Duties. It shall be the duty of the Board to initiate any specific action required, in its opinion, to fulfill the exempt purposes of ERCOT as stated in the Certificate of Formation, within the limitations of the Certificate of Formation, applicable law, and these Bylaws. Such action may be taken by the Board, by such subcommittee(s) as may be formed by the Board, the CEO as directed by the Board or by individuals appointed by the Board provided that the following actions of the Board may not be delegated: (a) approval of the Budget (as defined in Section 10.3); (b) approval of the employment and terms for the CEO, as well as termination of CEO’s employment; (c) ratification of other Officers of ERCOT; (d) annual selection of a qualified independent public accounting firm (“Auditor”) to audit the financial statements of ERCOT; (e) approval of the initiation of any non-routine filing to a regulatory agency that requests regulatory action; and (f) initiation of any lawsuit. The Board shall adopt policies regarding the delegation of the following actions: (a) the acquisition of real property; (b) the sale of ERCOT assets; (c) the execution of contracts; (d) large purchases; and (e) borrowing money or establishing a line of credit in the name of ERCOT.

ARTICLE 5 TECHNICAL ADVISORY COMMITTEE

Section 5.1 TAC Representatives.

- (a) For the purposes of this Section, membership in the TAC shall be divided in accordance with the definitions of the Segments described in Section 3.1. TAC shall be comprised of the following (“Representatives”):
 - (1) Representatives of four Members elected from each of the six Segments (other than as described for the Consumer Segment) listed in Section 3.1.

- (2) For the Consumer Segment, Corporate Members of each subsegment shall elect its Representatives. Subject to paragraph (j) below, for any subsegment in which there are no Corporate Members, the Board shall appoint such Representatives. For the Residential, Commercial and Industrial subsegments, the TAC Representative seats are as follows:
 - (i) Two Representatives of Industrial Consumers;
 - (ii) One Representative of Small Commercial Consumers;
 - (iii) One Representative of Large Commercial Consumers;
 - (iv) One Representative of Residential Consumers; and
 - (v) The Public Counsel's designee as an *ex officio* voting member.
- (b) TAC shall adopt policies regarding the qualifications for TAC Representatives, except for the Residential Consumer TAC Representative and representatives of OPUC, which at a minimum shall require five (5) years of electric industry experience.
 - (1) Such policies shall set forth the acceptable areas of industry experience that satisfy this requirement.
 - (2) Such policies shall require that for each TAC Representative, the represented Corporate Member must certify that the TAC Representative is authorized to make decisions on behalf of the relevant Segment or subsegment and meets the minimum qualifications for TAC Representatives.
 - (3) At least annually, TAC shall confirm to the Board that each TAC Representative subject to this paragraph (b) meets the minimum qualifications for TAC Representatives.
- (c) Each TAC Representative shall be entitled to one vote on matters submitted to TAC.
- (d) Fifty-one percent (51%) of the eligible, Seated Representatives of TAC shall constitute a quorum for the transaction of business; and abstentions do not affect calculation of a quorum. Affirmative votes of: (i) two-thirds of the Eligible Voting Representatives of TAC; and (ii) at least fifty percent (50%) of the total Seated Representatives shall be the act of TAC. For purposes of voting on TAC, TAC Representatives shall not have their votes included in the total number of votes from which the requisite percentage of affirmative votes is required for action if: (i) they are not present and have not designated a proxy, or (ii) they abstain from voting.

- (e) Written proxies may be used for meetings of TAC or any subcommittees of TAC in accordance with any relevant provisions in these Bylaws and the Texas Business Organizations Code, including Chapter 22 thereof. For any meeting of TAC or any subcommittee of TAC, where permitted by these Bylaws, attending in place of a member shall be counted towards a quorum, while proxies shall not be counted towards a quorum.
- (f) Unless otherwise provided by law, any action required or permitted to be taken at any meeting of TAC Representatives or any subcommittee of TAC may be taken without a meeting, if a consent in writing, setting forth the action to be taken, is signed by a sufficient number of TAC Representatives or subcommittee members as would be necessary to take that action at a meeting at which all of the TAC Representatives and subcommittee members were present and voted. TAC Representatives or subcommittee members may participate in and hold a meeting by means of a conference telephone or other similar communications equipment, or another suitable electronic communications system, including videoconferencing technology or the Internet, or any combination, if the telephone or other equipment or system permits each person participating in the meeting to communicate with all other persons participating in the meeting, and participation in a meeting pursuant to this Section shall constitute presence in person at such meeting, except where a person participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened. Where action is taken by TAC without a meeting, notice of the proposed action shall be provided to the TAC Representatives in accordance with Section 5.3.
- (g) Each Segment may choose to participate in “Participatory Voting” as described herein. If a Segment chooses to engage in Participatory Voting, each TAC Representative elected by that Segment shall be required to present the decision of the Corporate Members of that Segment. A Corporate Member may delegate an employee or agent other than the Member representative described in Section 3.5 to vote on its behalf for purposes of Participatory Voting. If a Corporate Member of a Segment using Participatory Voting is unable or does not wish to attend a TAC meeting that Member may deliver a written proxy, at any time prior to the start of the meeting at which it will be voted, to a Participatory Voting delegate of any Member of the same Segment. A Corporate Member delegate in attendance at a TAC meeting may give a written proxy to a Participatory Voting delegate of any Member of the same Segment during such meeting.
- (h) All TAC Representatives shall be appointed or elected annually by the Corporate Members of their respective Segments. The term for all TAC Representatives shall be one (1) year. Any TAC Representative may be reappointed or reelected for consecutive terms, without limitation. A vacancy shall be filled by the same means used to elect or appoint the previous TAC Representative. No Entity shall participate in more than one Segment of TAC. The Representatives of TAC shall

elect from amongst themselves a Chair and Vice Chair subject to confirmation by the Board. The Chair and Vice Chair shall provide full disclosure pursuant to Section 9.2 (Potential Conflicts of Interest) of these Bylaws during the confirmation process, and any person speaking on behalf of TAC before the Board shall provide full disclosure pursuant to Section 9.2 (Potential Conflicts of Interest) of these Bylaws before speaking on behalf of TAC.

- (i) Each person (other than the Residential Consumer TAC Representative) serving on TAC or any subcommittee thereof must be an employee or agent of a Corporate or Associate Member. Unless otherwise provided in these Bylaws, if an employee or agent of a Member is elected or appointed to serve on TAC or any subcommittee thereof, such person is only eligible to serve in such capacity so long as they are an employee or agent of the same Member as they were at the time of such election or appointment.
- (j) In the event that a Small Commercial Consumer Representative cannot be identified to serve on TAC, that seat may be filled by any other Commercial Consumer representative appointed by the Public Counsel provided that such representative represents at least one consumer in the ERCOT Region. Any Representative of the Consumer Segment appointed to TAC by the Public Counsel pursuant to this paragraph or the Board pursuant to paragraph (a)(2) above, if not otherwise a Member of ERCOT, shall be allowed to vote on TAC without the payment of the Annual Member Service Fees. An appointed Commercial Consumer TAC Representative is eligible to serve in such capacity so long as they are an employee or representative of the same company as they were at the time of such appointment.
- (k) The Board may amend TAC procedures without an affirmative vote of TAC Representatives.

Section 5.2 Subcommittees; Functions of TAC. TAC shall have the authority to create subcommittees, task forces and study groups (“subcommittees”). TAC shall determine the eligibility requirements, quorum requirements and voting structure for each subcommittee. TAC shall (a) through its subcommittees make such studies and plans as it deems appropriate to accomplish the purposes of ERCOT, the duties of its subcommittees and the policies of the Board, (b) report the results of such studies and plans to the Board as required by the Board, (c) review and coordinate the activities and reports of its subcommittees, (d) make such recommendations to the Board as it deems appropriate or as required by the Board, (e) perform such other duties as directed by the Board and (f) make recommendations regarding ERCOT expenditures and projects. In accordance with ERCOT procedures and applicable law and regulations, certain guidelines, criteria and other actions approved by TAC may be effective upon approval by TAC; provided however, that such actions are reported to the Board for review and nothing herein shall affect the ability of the Board to independently consider such guidelines, criteria and actions, and to take such action with respect thereto as the Board deems appropriate, including revocation and remand with instructions.

Section 5.3 Meetings. TAC and its subcommittees shall meet as often as necessary to perform their duties and functions. All meetings of TAC and its subcommittees shall be called by their respective chairmen and all such meeting notices shall be sent in writing to each member at least one (1) week prior to the meeting, unless an emergency condition should suggest otherwise (such emergency to be by mutual consent of a majority of the Seated Representatives of TAC or subcommittee). Any Member may request notification of any such meetings and may have an employee or a TAC-approved representative for that Member attend as an observer. Each Representative of TAC may designate in writing an alternate representative who may attend meetings in the absence of the Representative and vote on the Representative's behalf.

Section 5.4 Other Appointments. TAC shall elect representatives to the various NERC committees and associated subcommittees, task forces, and working groups whose members are appointed by the NERC Regions. The selection of TAC representatives to NERC shall require an act of TAC as set forth in Section 5.1(c). If more than one representative is requested, TAC should consider selecting representatives from different Segments.

It shall be the CEO's duty to approve the expenditure of the monies appropriated by the Board in accordance with the Budget approved by the Board. The CEO shall make an annual report and periodic reports to the Board concerning the activities of ERCOT. The CEO shall serve as President of ERCOT. The CEO shall comply with all orders of the Board. All agents and employees of ERCOT shall report, and be responsible, to the CEO. The CEO shall perform such other duties as may be determined from time to time by the Board.

Section 7.2 Notice of CEO Vacancy. The Board Chair or the Board Chair's designee shall notify the PUCT Commissioners when a vacancy occurs for the CEO.

Section 7.3 CEO Selection. The Board Chair or the Board Chair's designee shall provide information to the PUCT Commissioners regarding selection of the CEO requested by any of the PUCT Commissioners as required by the PUCT.

Section 7.4 CEO Compensation. The compensation of the CEO shall be approved by the Board.

ARTICLE 8 OFFICERS

Section 8.1 General. The Officers of ERCOT shall consist of a President, one or more Vice Presidents, a Secretary, and such Officers and assistant Officers as the Board may create. The CEO shall serve as President of ERCOT. Any two (2) or more offices may be held by the same person, except the offices of President and Secretary. A subcommittee duly designated may perform the functions of any officer and the functions of two or more officers may be performed by a single subcommittee.

Section 8.2 Tenure. The CEO of ERCOT shall be elected and the other Officers of ERCOT shall be ratified by the Board at such time and in such manner and for such a term not exceeding one (1) year, as shall be determined from time to time by the Board. Any Officer may be re-elected or re-ratified for consecutive terms, without limitation. All Officers of ERCOT shall hold office until their successors are chosen and qualified or until their earlier resignation or removal. Any Officer elected or appointed may be removed by the persons authorized to elect or appoint such Officer whenever in their judgment the best interests of ERCOT will be served thereby.

ARTICLE 9 TRANSACTIONS OF CORPORATION

Section 9.1 Deposits and Checks. All of ERCOT's funds will be deposited to the credit of ERCOT in banks, trust companies, or other depositories that the Board approves.

Section 9.2 Potential Conflicts of Interest.

- (a) Each Director, TAC Representative and subcommittee member shall have an affirmative duty to disclose to the Board, TAC or subcommittee (as the case may be) any actual or potential conflicts of interest of the Director, TAC Representative or subcommittee member or their employer where, and to the extent that, such conflicts or potential conflicts directly or indirectly affect any matter that comes before the Board, TAC or subcommittee, as the case may be. A Director with a direct interest in a matter, personally or via their employer, or by having a substantial financial interest in a person with a direct interest in a matter, shall recuse themselves from deliberations and actions on the matter in which the conflict arises and shall abstain on any vote on the matter and not otherwise participate in a decision on the matter. A direct interest is a specific interest of a person or entity in a particular matter. Any disclosure of a direct interest by a Director shall be noted in the minutes of the Board meeting at which the direct interest is disclosed. Mere attendance at the meeting, if the Director, TAC

Representative or subcommittee member recuses themselves from the deliberation and action on the matter in which the conflict arises, shall not constitute participation.

- (b) ERCOT may not make any loan to a Director or Officer of ERCOT. A Member, Director, TAC Representative, Officer, or subcommittee member of ERCOT may lend money to and otherwise transact business with ERCOT except as otherwise provided by these Bylaws, the Certificate of Formation, and applicable law. Such a person transacting business with ERCOT has the same rights and obligations relating to those matters as other persons transacting business with ERCOT. ERCOT may not borrow money from, or otherwise transact business with, a Member, Director, TAC Representative, Officer, or subcommittee member of ERCOT unless the transaction is described fully in a legally binding instrument and is in ERCOT's best interests. ERCOT may not borrow money from, or otherwise transact business with, a Member, Director, Officer, TAC Representative or subcommittee member of ERCOT without full disclosure of all relevant facts and without the Board's approval, not including the vote of any person having a personal interest in the transaction.

Section 9.3 Prohibited Acts. As long as ERCOT exists, no Member, Director, Officer, or subcommittee member of ERCOT may:

- (a) Do any act in violation of the Certificate of Formation or these Bylaws;

- (f) Wrongfully transfer or dispose of ERCOT property, including intangible property such as good will;
- (g) Use ERCOT's name (or any substantially similar name) or any trademark or trade name adopted by ERCOT, except on behalf of ERCOT in the ordinary course of its business or as a reference to the ERCOT region;
- (h) Disclose any of ERCOT's or Members' business practices, trade secrets, or any other confidential or proprietary information not generally known to the business community to any person not authorized to receive it;

- (i) Take any action, without written notice to Members and reasonable time for Members to respond, that would cause another ERCOT Member that is not a “public utility” under the Federal Power Act or ERCOT itself to become a “public utility” under the Federal Energy Regulatory Commission (“FERC”) rules or become subject to any plenary jurisdiction of FERC; or
- (j) With regard to the Directors, do any act in violation of an ERCOT rule [as that term is defined in PUCT Substantive Rule Section 25.361(a)], PUCT rule, or applicable statute.

Except as provided below, no such person shall receive any salary or other compensation from ERCOT.
- (b) The Board shall have the authority to fix the compensation of its Selected Directors who may be paid a fixed sum plus reimbursement of travel expenses for attendance at each meeting of the Board, or a stated compensation as a member thereof, or any combination of the foregoing. Selected Directors, who are members of standing or special committees, may be allowed like compensation and reimbursement of travel expenses for attending committee meetings. Directors may be reimbursed for all reasonable Board-related expenses.
- (c) The Board shall fix the compensation for the appointed Residential Consumer TAC Representative for attendance at each meeting of the Board, TAC, or any standing or special committee of such on an annual basis. Any Residential Consumer TAC Representative shall not be an agent of ERCOT for any purpose and shall not be considered to be serving at ERCOT's request, even though compensated by ERCOT.

Section 10.2 ERCOT Expenses. The expenses of ERCOT shall include, but not be limited to, administrative expenses, operational costs and debt service.

Section 10.3 Budget. A budget (the “Budget”) for ERCOT for the ensuing one or more fiscal years shall be adopted by the Board. In connection with the Board’s approval, the Budget, including cost of liability insurance, for ERCOT shall be compiled by the CEO or their designee and submitted to the Board. To be effective, the Budget must be approved by an act of the Board as set forth in Section 4.7. The representatives of each Member shall be promptly notified of the Budget following adoption of the Budget by the Board.

Section 10.4 Loans and Guarantees. Neither participation in the activities of ERCOT nor any provision of these Bylaws or of the Certificate of Formation shall be deemed to constitute a pledge or loan of the credit of any Member for the benefit of ERCOT or a guarantee by any Member of any obligation of ERCOT.

Section 10.5 Access to Books and Records. All Members of ERCOT will have access to the books and records of the organization, including financial statements and budgets; however, the Board shall establish procedures by which a Member, upon written demand stating the purpose of the demand may examine and copy the books and records of ERCOT. If necessary to protect the confidential information of ERCOT, a Member requesting examination of ERCOT’s books and records may be required to sign a confidentiality and non-disclosure agreement before viewing such information. The procedures shall include policies that provide reasonable protection against the unnecessary disclosure of information related to individual employees, including their compensation.

Section 10.6 Audit. At least annually, an audit of the financial statements of ERCOT shall be performed by the Auditor approved by the Board. The Auditor’s opinion and the audited financial statements will be made available to all Members as described in Section 10.5.

Section 10.7 Fiscal Year. The fiscal year of ERCOT shall be from January 1 through the following December 31, or as otherwise fixed by resolution of the Board.

ARTICLE 11 INDEMNIFICATION

Section 11.1 Indemnification. EACH PERSON WHO AT ANY TIME SHALL SERVE, OR SHALL HAVE SERVED, AS A DIRECTOR, OFFICER, EMPLOYEE OR AGENT OF ERCOT, OR ANY PERSON WHO, WHILE A DIRECTOR, OFFICER, EMPLOYEE OR AGENT OF ERCOT, IS OR WAS SERVING AT ITS REQUEST AS A DIRECTOR, OFFICER, PARTNER, VENTURER, PROPRIETOR, TRUSTEE, EMPLOYEE, AGENT OR SIMILAR FUNCTIONARY OF ANOTHER FOREIGN OR DOMESTIC CORPORATION, PARTNERSHIP, JOINT VENTURE, SOLE PROPRIETORSHIP, TRUST, EMPLOYEE BENEFIT PLAN OR OTHER ENTERPRISE, SHALL BE ENTITLED TO INDEMNIFICATION AS, AND TO THE FULLEST EXTENT, PERMITTED BY CHAPTER 8 OF THE TEXAS BUSINESS ORGANIZATIONS CODE OR ANY SUCCESSOR STATUTORY PROVISION, AS FROM TIME TO TIME AMENDED, SUCH ARTICLE OR SUCCESSOR PROVISION, AS SO AMENDED, BEING INCORPORATED

If mailed, a notice is deemed delivered when deposited in the mail addressed to the person at their address as it appears on the corporate records, with postage prepaid. A person may change their address in the corporate records by giving written notice of the change to the Secretary.

Section 12.2 Signed Waiver of Notice. Whenever any notice is required by law or under ERCOT's Certificate of Formation or these Bylaws, a written waiver signed by the person entitled to receive such notice is considered the equivalent to giving the required notice. A waiver of notice is effective whether signed before or after the time stated in the notice that was to be given.

Section 12.3 Waiver of Notice by Attendance at a Meeting. Attendance at a meeting shall constitute a waiver of notice of such meeting, except where attendance is for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

Section 12.4 Objection. If any person, who is a voting member of a group holding a meeting, reasonably objects to the transaction of business regarding a specific issue, or issues, at a meeting on the grounds that the meeting is not properly called or convened or that the issue, or issues, was improperly noticed, the issue or issues in question may not be addressed at that meeting. The chair of such meeting shall determine if such objection is reasonable.
