

Women's Leadership Events

ERCOT hosts Women's Leadership Events to provide opportunities for ERCOT employees to engage in conversations on leadership with a particular focus on the challenges faced by, and experiences of, women at all levels of leadership.

May 2020

**Paula
Gold-Williams**
CEO,
CPS Energy

This internal event series has featured numerous leaders from across the energy industry. Events were moved online for 2020, but each one has provided opportunities for learning and networking for attendees.

For additional information, contact media@ercot.com.

July 2020

Barbara Sugg
