The Electric Reliability Council of Texas (ERCOT) is a nonprofit organization that ensures reliable electric service for 90 percent of the state of Texas. The grid operator is regulated by the Public Utility Commission of Texas and the Texas Legislature.

More than 26 million customers in the ERCOT region

90% percent of Texas Load

75% of load is competitive-choice customers — nearly 8 million electric-service IDs (premises)

1 MW of electricity can power about 200 Texas homes during periods of peak demand.

80,038 MW
Record peak demand (July 20, 2022)

77,359 MW
Weekend peak demand record (July 9, 2022)

2022 Generating Capacity
Reflects operational installed capacity based on December 2021 CDR report for Summer 2022.

393 billion kilowatt-hours of energy were used in 2021, a 2.87 percent increase compared to 2020.

Fact Sheet
October 2022

1,800+ active market participants that generate, move, buy, sell or use wholesale electricity

1,030+ generating units, including Private Use Networks

52,700+ miles of high-voltage transmission

92,000+ MW of expected capacity for summer 2022 peak demand

35,736 MW of installed wind capacity as of March 2022, the most of any state in the nation

11,462 MW of installed battery storage as of April 2022

1,732 MW wind Generation record (May 31, 2022)

69.15% wind Penetration record (Apr 10, 2022)

10,100 MW solar Generation record (Oct 1, 2022)

24.99% solar Penetration record (Oct 1, 2022)

$2,498 million transmission projects endorsed in 2021
ERCOT manages the flow of electric power to more than 26 million Texas customers — representing about 90 percent of the state’s electric load. As the independent system operator for the region, ERCOT schedules power on an electric grid that connects more than 52,700 miles of transmission lines and 1,030+ generation units. It also performs financial settlement for the competitive wholesale bulk-power market and administers retail switching for nearly eight million premises in competitive choice areas. ERCOT is a membership-based 501(c)(4) nonprofit corporation, governed by a board of directors and subject to oversight by the Public Utility Commission of Texas and the Texas Legislature.

In 1999, the Texas Legislature restructured the Texas electric market and assigned ERCOT four primary responsibilities:

- Maintain system reliability.
- Facilitate a competitive wholesale market.
- Facilitate a competitive retail market.
- Ensure open access to transmission.

**ERCOT Board of Directors**

- Paul Foster: Chair - Director
- Bill Flores: Vice Chair - Director
- Carlos Aguilar: Director
- Chris Ekoh: Interim Public Counsel Consumer-Residential Segment – Ex Officio
- Julie England: Director
- Robert "Bob" Flexon: Director
- Peggy Heeg: Director
- Peter Lake: PUCT Chairman – Non-Voting – Ex Officio
- Zin Smati: Director
- John Swainson: Director
- Pablo Vegas: President and Chief Executive Officer – Non-Voting – Ex Officio

**ERCOT Executive Team**

- Pablo Vegas: President and Chief Executive Officer
- Betty Day: Vice President, Security & Compliance and Chief Compliance Officer
- Kristi Hobbs: Vice President, Corporate Strategy and PUC Relations
- Kenan Ögelman: Vice President, Commercial Operations
- Jayapal Parakkuth: Vice President and Chief Information Officer
- Woody Rickerson: Vice President, System Planning and Weatherization
- Chad V. Seely: Vice President, General Counsel and Corporate Secretary
- Mara Spak: Vice President, Human Resources
- Jeyant Tamby: Senior Vice President, Chief Administrative Officer and Chief of Staff
- Sean Taylor: Vice President and Chief Financial Officer
- Dan Woodfin: Vice President, System Operations
