Case No. 21-30725 (DRJ)

DECLARATION OF SEAN TAYLOR IN SUPPORT OF ERCOT SETTLEMENT

The undersigned, Sean Taylor, hereby declares under the penalty of perjury pursuant to the laws of the United States of America the following:

1. I am the Vice President and Chief Financial Officer of Electric Reliability Council of Texas, Inc. (“ERCOT”). I have been serving in this role since 2019, and was previously ERCOT’s Controller beginning in 2013. I submit this declaration in support of the ERCOT Settlement.²

2. Unless otherwise indicated, the statements set forth in this declaration (the “Declaration”) are based upon (a) my personal knowledge of ERCOT’s business, (b) information learned from my review of relevant documents, and (c) information I received from ERCOT staff, the team working under my supervision or other advisors. I am not being specifically compensated for this testimony other than through payments that I routinely receive as part of my employment with ERCOT. If I were called upon to testify, I would testify to the facts set forth herein.

¹ The Debtor in this chapter 11 case, along with the last four digits of its federal tax identification number is: Brazos Electric Power Cooperative, Inc. (4729). Additional information regarding this case may be obtained on the website of the Debtor’s claims and noticing agent at <http://cases.stretto.com/Brazos>. The Debtor’s address is 7616 Bagby Avenue, Waco, TX 76712.

² Defined terms used but not defined herein shall have the meaning ascribed to such terms in the *Amended Chapter 11 Plan of Reorganization of Brazos Electric Power Cooperative, Inc.* (“Plan”) [Dkt. No. 2440-1]

BACKGROUND

3. On March 1, 2021, Brazos filed its petition for relief under Chapter 11 of the Bankruptcy Code.

4. On June 14, 2021, ERCOT filed the ERCOT Claim against Brazos, which was later amended in November 2021 to assert a claim amount of \$1,886,595,737.08.

5. Brazos commenced the ERCOT Adversary Proceeding disputing the amount of the ERCOT Claim and seeking to have the Allowed amount of the ERCOT Claim classified as a General Unsecured Claim. The trial in the ERCOT Adversary Proceeding commenced on February 22, 2022, and was subsequently suspended on March 3, 2022, to allow the parties to mediate the issues in the ERCOT Adversary Proceeding before the Honorable Marvin Isgur. After extensive negotiations spanning several months, Brazos and ERCOT reached the settlement that is embodied in the Plan.

6. On behalf of ERCOT, I was involved with the settlement discussions and negotiations, and am aware of the terms of the ERCOT Settlement. I was directly involved in the process ERCOT implemented to inform Market Participants of the ERCOT Settlement and to solicit Eligible Market Participants' elections with respect to how they wish to recover their respective portion of the Brazos Short Paid Claim.

7. Each of the terms of the ERCOT Settlement as set forth in Article IV.G of the Plan, including the release and injunction provisions, are necessary for ERCOT to proceed with the ERCOT Settlement.

ELIGIBLE MARKET PARTICIPANT ELECTION NOTICE

8. One of the primary terms of the ERCOT Settlement is that it avoids ERCOT using the Default Uplift procedures outlined in § 9.19.1 of the ERCOT Protocols. This outcome is

achieved by having each Eligible Market Participant elect how it wants to recover its allocable portion of the Brazos Short Pay Claim and by the release and injunction provisions contained in Article IV.G.2 of the Plan, which were also restated in the Eligible Market Participant Election Notice. To solicit their preference on recovery, ERCOT sent each Eligible Market Participant the Eligible Market Participant Election Notice, which the Eligible Market Participants were to complete and return to ERCOT. The Eligible Market Participant Election Notice allowed the Eligible Market Participants to elect one of four recovery options.

9. Option 1 – the Market Participant Accelerated Cash Recovery. Under this option the Eligible Market Participant will receive an approximately 43% nominal recovery on the Effective Date. Thereafter, the Eligible Market Participant will receive an additional approximately 9% nominal recovery to be paid on the Generation Sale Closing Date. Starting on the one-year anniversary of the Effective Date, the Eligible Market Participant will receive an approximately 1% nominal recovery each year for 12 years equaling an approximately 13% nominal recovery. The cumulative result is an approximately 65% total nominal recovery over 12 years on the Eligible Market Participant's portion of the Brazos Short Pay Claim. Eligible Market Participants who elect Option 1 are bound by the release in Article IV.G.2 of the Plan.

10. Option 2 – the Market Participant Deferred Cash Recovery. Under this option the Eligible Market Participant will recover nominally 100% of its portion of the Brazos Short Pay Claim over 30 years. Annualized recovery to the Eligible Market Participant on its portion of the Brazos Short Pay Claim is contemplated as follows: Years 1-5, 2.2720% annually; Years 6-25, 3.3335% annually; and Years 26-30, 4.3940% annually. Although recovery under Option 2 is an extended time for the nominal payment in full, the nominal payment in full under this option is faster than if the Default Uplift process was utilized for the repayment of the Brazos Short Pay

Claim. Because Default Uplift is limited to \$2,500,000 per month under the ERCOT Protocols, the full nominal recovery on the Brazos Short Pay Claim under the Default Uplift process would take approximately 63 years. Eligible Market Participants who elect Option 2 had the right to opt out of the release in Article IV.G.2 of the Plan.

11. Option 3 – Market Participant Convenience Cash Recovery. Under this option there is a one-time cash payment on the Effective Date of the Plan in an amount equal to 63% of the *lesser of* (a) such Eligible Market Participant’s allocable portion of the Brazos Short Pay Claim and (b) \$10,000. Eligible Market Participants who elect Option 3 are bound by the release in Article IV.G.2 of the Plan.

12. Option 4 – Allocation of the Eligible Market Participant share between Option 1 and Option 2. Under this option, the Eligible Market Participant is allowed to receive part of its allocable portion of the Brazos Short Pay Claim as Market Participant Accelerated Cash Recovery and the remainder as Market Participant Deferred Cash Recovery. Eligible Market Participants who elect Option 4 had the right to opt out of the release in Article IV.G.2 of the Plan *only* with respect to the amount of their claim electing the Market Participant Deferred Cash Recovery.

ERCOT COMMUNICATIONS TO MARKET PARTICIPANTS

13. ERCOT generally communicates with Market Participants by issuing Market Notices, which are sent to Market Participants by email to registered contacts on file with ERCOT. In connection with the Eligible Market Participant Election Notice process, ERCOT issued Market Notices to all Market Participants. ERCOT also sent additional Market Notices to Eligible Market Participants. The Market Notices sent to Eligible Market Participants directed those entities to access their Election Notices in the ERCOT Market Information System (“MIS”) Certified Area, which is an electronic communications interface established and maintained by ERCOT that

enables Market Participants, as a group or individually, to access certain information through the use of authenticated credentials. If an Eligible Market Participant no longer had access to its MIS Certified Area Requested Information folders, ERCOT sent a separate communication via email to such Eligible Market Participant's last known contacts on file with ERCOT and/or counsel of record.

14. On September 2, 2022, the day after Brazos filed its original Plan, ERCOT issued Market Notice M-B090222-01 to all Market Participants advising, among other things: (i) of the filing of the Disclosure Statement and Plan and how Market Participants may obtain copies of the Disclosure Statement and Plan; (ii) of the scheduling of the hearing on conditional approval of the Disclosure Statement; (iii) that ERCOT had not yet reached a final agreement on certain important provisions in the Plan and that the Plan will be amended in accordance with ongoing discussions and negotiations; and (iv) that if the Disclosure Statement is conditionally approved, Eligible Market Participants will separately receive from ERCOT the Eligible Market Participant Election Notice. A true and correct copy of the Market Notice M-B090222-01 is attached hereto as Exhibit 1.

15. On September 9, 2022, ERCOT issued Market Notice M-C090922-01 to all Eligible Market Participants advising that each is owed an allocable portion of the Brazos Short Pay Claim. A true and correct copy of the Market Notice M-C090922-01 is attached hereto as Exhibit 2.

16. On September 16, 2022, ERCOT issued Market Notice M-B090222-02 to all Market Participants advising, among other things: (i) of the Bankruptcy Court's conditional approval of the Disclosure Statement; (ii) that ERCOT had not yet reached final agreement on certain important provisions in the Plan; (iii) that ERCOT expects further modifications of the Plan

as it continues ongoing discussions and negotiations; (iv) that the Public Utilities Commission of Texas had issued a letter supporting ERCOT's trajectory, efforts and settlement framework to resolve the issues in the Bankruptcy Case; (v) that ERCOT will conduct two live virtual presentations to address the economic and non-economic terms of the proposed ERCOT Settlement in order to assist Eligible Market Participants on the election notice process; (vi) Market Participants of the email address they can use to submit questions to ERCOT regarding the Plan or the Eligible Market Participant Election Notice; and (vii) that ERCOT was developing a website where it will post a recording of its virtual presentation along with the presentation materials. A true and correct copy of the Market Notice M-B090222-02 is attached hereto as Exhibit 3.

17. On September 20, 2022, ERCOT issued Market Notice M-C090922-02 to all Eligible Market Participants advising, among other things, that: (i) ERCOT posted an Eligible Market Participant Election Notice in their respective MIS Certified Area Requested Information folder, which identifies the participant's specific short pay amounts(s); (ii) the Eligible Market Participant must select one of four recovery options and return the Eligible Market Participant Election Notice to ERCOT by no later than 5:00 pm on October 21, 2021; (iii) the failure to select one of the four recovery options, or selecting more than one recovery option, will result in the Eligible Market Participant automatically being deemed to have elected Option 2 – Market Participant Deferred Cash Recovery; and (iv) Eligible Market Participants will be bound by the release in Article IV.G.2 of the Plan unless they are entitled to opt out of the release under the Plan and exercise their right to opt out of the release. A true and correct copy of the Market Notice M-C090922-02 is attached hereto as Exhibit 4.

18. On September 20 and 21, 2022, ERCOT conducted the two virtual presentations. In the presentations, ERCOT: (i) provided a detailed summary of the ERCOT Settlement; (ii)

discussed the primary funding sources for the recovery of the Brazos Short Pay Claim; (iii) walked through the Eligible Market Participant Election Notice, including how to complete and return the notice; and (iv) summarized the next steps it will take to finalize the ERCOT Settlement and provided key Plan dates. I was one of the presenters, along with Chad Seely, ERCOT's Vice President and General Counsel, and Kevin Lippman, ERCOT's lead bankruptcy counsel. ERCOT's presentation and related materials are available on ERCOT's website.³

19. On September 30, 2022, and on October 11, 14, 19, and 21, 2022, ERCOT issued Market Notices to all Eligible Market Participants advising, among other things, that: (i) ERCOT posted an Eligible Market Participant Election Notice in their respective MIS Certified Area Requested Information folder, which identifies the participant's specific short pay amounts(s); (ii) the Eligible Market Participant must return the Eligible Market Participant Election Notice to ERCOT by no later than 5:00 pm on October 21, 2021; and (iii) the failure to select one of the four recovery options, or selecting more than one recovery option, will result in the Eligible Market Participant automatically being deemed to have elected Option 2 – Market Participant Deferred Cash Recovery. A true and correct copy of the Market Notice M-C090922-03 (September 30, 2022) is attached hereto as Exhibit 5; a true and correct copy of the Market Notice M-C090922-04 (October 11, 2022) is attached hereto as Exhibit 6; a true and correct copy of the Market Notice M-C090922-05 (October 14, 2022) is attached hereto as Exhibit 7; a true and correct copy of the Market Notice M-C090922-06 (October 19, 2022) is attached hereto as Exhibit 8; a true and correct copy of the Market Notice M-C090922-07 (October 21, 2022) is attached hereto as Exhibit 9.

ELIGIBLE MARKET PARTICIPANT ELECTION NOTICE RESULTS

20. There are a total of 755 Eligible Market Participants. The names of each Eligible Market Participant and their allocable portion of the Brazos Short Pay Claim are on Exhibit C of the Plan.

21. As required by the Plan, ERCOT prepared the ERCOT Recovery Appendix which, among other things: (i) reflects the recovery option for each Eligible Market Participant based on the returned Eligible Market Participant Election Notices; (ii) defines the payment schedule for each Eligible Market Participant; and (iii) identifies which of the Eligible Market Participants electing the Market Participant Deferred Cash Recovery elected to opt out of the release in Article IV.G.2 of the Plan. A true and correct copy of the ERCOT Recovery Appendix is attached hereto as [Exhibit 10](#).

22. The following summarizes the result of the Eligible Market Participant Election Notices:

	Count	Count %	Dollars	Dollars %
Total Election Notices (Notices)	755	100.00%	\$1,286.9mm	100.00%
Returned Notices	740	98.01%	\$1,286.3mm	99.95%
Selected Option 1 (Accelerated Cash Recovery)	388	51.39%	\$1,239.2mm	96.30%
Selected Option 2 (Deferred Cash Recovery)	34	4.50%	\$4.4mm	0.34%
Selected Option 3 (Convenience Cash Recovery)	316	41.85%	\$1.2mm	0.09%
Selected Option 4 (Allocation between Option 1 & 2)	2	0.27%	\$41.5mm	3.22%
Notices Not Returned (Option 2: Deferred)	15	1.99%	\$0.6mm	0.05%

23. Twenty-three of the Eligible Market Participants electing the Market Participant Deferred Cash Recovery elected to opt out of the release in Article IV.G.2 of the Plan.

CONCLUSION

24. The ERCOT Settlement provides certainty to not only ERCOT and Brazos, but also all Market Participants.

25. The soliciting of recovery preference from Eligible Market Participants was thorough and successful. Less than 2% of all Eligible Market Participants did not return the Eligible Market Participant Election Notice, representing less than one-tenth of a percent of the total outstanding Brazos Short Pay Claim. Of the fifteen Eligible Market Participants not returning the Eligible Market Participant Election Notice, five are no longer a participant in the ERCOT market.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief.

NOTICE DATE: September 2, 2022

NOTICE TYPE: M-B090222-01 Legal

SHORT DESCRIPTION: Brazos Electric Power Cooperative, Inc. files with federal bankruptcy court its Chapter 11 Plan of Reorganization and Disclosure Statement addressing ERCOT's Amended Proof of Claim.

INTENDED AUDIENCE: All Market Participants

DAYS AFFECTED: September 1, 2022 and thereafter

LONG DESCRIPTION: On September 1, 2022, Brazos Electric Power Cooperative Inc. ("Brazos") filed in its pending federal bankruptcy case Brazos's *Chapter 11 Plan of Reorganization of Brazos Electric Power Cooperative, Inc.* (the "Plan") and *Disclosure Statement for Plan of Reorganization of Brazos Electric Power Cooperative, Inc.* (the "Disclosure Statement"). The Plan and the Disclosure Statement contain information regarding a proposed settlement between Brazos and ERCOT of the Brazos Adversary Proceeding regarding the amount of ERCOT's amended proof of claim in Brazos's bankruptcy case, the priority of ERCOT's claim, and how Brazos will repay the settled amount.

ERCOT has not yet reached a final agreement on certain important provisions in the Plan. Both the Plan and the Disclosure Statement are working drafts and will be amended in accordance with ongoing discussions and negotiations with Brazos and other key stakeholders.

On September 13, 2022, the United States Bankruptcy Court for the Southern District of Texas (the "Bankruptcy Court") will conduct a hearing on a Brazos motion seeking, among other things, the conditional approval of the Disclosure Statement. Eligible Market Participants (as this term is defined in the Plan) will receive a separate Eligible Market Participants Election Notice from ERCOT if the Bankruptcy Court enters an order conditionally approving the Disclosure Statement and authorizing Brazos to begin soliciting votes on the Plan. ERCOT expects to start communicating with Eligible Market Participants on the election-notice process next week.

Market Participants may obtain copies of the Plan, the Disclosure Statement, and all documents filed in the Bankruptcy Case free of charge by visiting <https://cases.stretto.com/Brazos>.

ADDITIONAL INFORMATION: On March 1, 2021 (the "Petition Date"), Brazos commenced its bankruptcy case under Chapter 11 of the Bankruptcy Code, which is assigned Case No. 21-30725 (the "Bankruptcy Case") and is pending before the Bankruptcy Court.

ERCOT filed an amended proof of claim in the Bankruptcy Case in the amount of \$1,886,595,737.08, which is the total amount arising from and related to the settlement or resettlement statements issued by ERCOT to Brazos for operating days prior to the Petition Date and that have not been paid by Brazos in full to ERCOT as of the Petition Date (the "Brazos Short Pay Claim"). ERCOT asserts that almost all of the Brazos Short Pay Claim is entitled to priority treatment as an administrative expense claim in the Bankruptcy Case.

On August 18, 2021, Brazos commenced an adversary proceeding against ERCOT before the Bankruptcy Court, which is assigned Adversary Proceeding No. 21-30863. In this Brazos Adversary Proceeding, Brazos seeks, among other things, to reduce the amount of the Brazos Short Pay Claim and have the entire amount of the reduced claim classified as an unsecured claim. To support its claims against ERCOT, Brazos challenges the applicability of the Public Utility Commission of Texas's ("PUC") Emergency Orders ("PUC Orders") entered on February 15 and 16, 2021 directing ERCOT to set prices at their highest to reflect the scarcity in the market during Winter Storm Uri. Brazos seeks to reduce the Brazos Short Pay Claim by at least \$1.1 billion — the amount of the Brazos Short Pay Claim that Brazos claims is attributable to ERCOT's administrative adjustment to wholesale market prices based on the PUC Orders. Trial in the Brazos Adversary Proceeding began on February 22, 2022, but was suspended by agreement on March 3, 2022 to allow the parties to mediate the disputes.

SHORT DESCRIPTION: Entities that were short paid from ERCOT because of Brazos Electric Power Cooperative, Inc.'s failure to pay Winter Storm Uri Settlement Invoices should start to consider Election Notice recovery options.

INTENDED AUDIENCE: Eligible Market Participants Impacted by Brazos Bankruptcy Plan

DAYS AFFECTED: September 1, 2022 and thereafter

LONG DESCRIPTION: On September 2, 2022, ERCOT sent Market Notice M-B090222-01 advising that Brazos Electric Power Cooperative, Inc. ("Brazos") filed its Disclosure Statement for Plan of Reorganization of Brazos Electric Power Cooperative, Inc. (the "Disclosure Statement") and Chapter 11 Plan of Reorganization of Brazos Electric Power Cooperative, Inc. (the "Plan") on September 1, 2022. The Disclosure Statement and Plan may be reviewed by visiting Brazos' Bankruptcy Case website at <https://cases.stretto.com/Brazos>.

ERCOT and Brazos continue to negotiate the final terms of a settlement as part of the Plan, which is subject to change and Court approval. If the Disclosure Plan is approved by the Court on September 13, each Eligible Market Participant will receive an official Eligible Market Participant Election Notice from ERCOT by which it will be asked to elect between four recovery options for the treatment of its allocable portion of the Brazos Short Pay Claim.

You are receiving this Notice because your Entity has been identified as an Eligible Market Participant and is owed an allocable portion of the Brazos Short Pay Claim^[11] resulting from the failure of Brazos to pay Settlement Invoices issued by ERCOT to Brazos for Operating Days prior to Brazos commencing its bankruptcy case on March 1, 2022.

[1] All capitalized terms not defined herein shall have the meaning ascribed to them in the Plan.

Next week, ERCOT will distribute to each Entity in its Market Information System (MIS) Certified Area folder an Eligible Market Participant Notice that will contain its specific short pay amount. An Eligible Market Participant will need to select one of the four recovery options by a specified date (to be determined).

The four available recovery options are:

- Option 1: Market Participant Accelerated Cash Recovery
- Option 2: Market Participant Deferred Cash Recovery
- Option 3: Market Participant Convenience Cash Recovery
- Option 4: Allocation of the Eligible Market Participants share between Option 1 and Option 2

Failure of an Eligible Market Participant to elect any of the above four recovery options, or selecting more than one recovery option, will result in an Eligible Market Participant automatically being deemed to have elected Option 2.

Under each of the above recovery options, Eligible Market Participants will be bound by the release in Article IV.G.2 of the Plan (the “Release”); unless they are entitled to and opt out of the Release as provided in the Plan.

All payments will be paid to ERCOT and will subsequently be distributed by ERCOT to the Eligible Market Participants. More details regarding the four recovery options are provided below in the **Additional Information** section.

NO ACTION IS REQUIRED AT THIS TIME BY ANY ELIGIBLE MARKET PARTICIPANT. This Notice is to educate Eligible Market Participants about the recovery options. ERCOT will host two all-hands virtual calls on September 20 and September 21 to explain the ERCOT/Brazos settlement to Eligible Market Participants. Specific details, including timing and user information for the calls, will be provided next week in a subsequent Notice.

ADDITIONAL INFORMATION: Details around each of the four available recovery options are contained below.

OPTION 1: Market Participant Accelerated Cash Recovery

Generally speaking, the Market Participant Accelerated Cash Recovery is an approximate 65% nominal recovery on an Eligible Market Participant’s allocable portion of the Brazos Short Pay Claim. Payment details are shown below.

Payment Description	Payment Timing	Approximate Percent Recovery

Installment Market Participant Cash Payments	Paid to ERCOT in 12 annual installments beginning on first anniversary of Effective Date of the Plan	13%
Total		65%

OPTION 2: Market Participant Deferred Cash Recovery

Generally speaking, the Market Participant Deferred Cash Recovery is a 100% nominal recovery on an Eligible Market Participant's allocable portion of the Brazos Short Pay Claim, paid in 30 annual cash payments to be paid in accordance with the fixed-payment schedule created by the Debtor. The first payment is paid to ERCOT on the first anniversary of the Effective Date. The approximate amount of the annual payments is shown below.

Payment Numbers	Approximate Percent Recovery per Payment	Approximate Percent Recovery for all Payments
1-5	[2.2720]%	[11.3600]%

OPTION 3: Market Participant Convenience Cash Recovery

Generally speaking, the Market Participant Convenience Cash Recovery is a 63% recovery on an Eligible Market Participant's allocable share of the Brazos Short Pay

Claim. This Option may only be elected by Eligible Market Participants whose allocable portion of the Brazos Short Pay Claim (at an account level with ERCOT) is (i) less than \$10,000.00 or (ii) greater than \$10,000.00 and the Eligible Market Participant irrevocably elects to reduce such claim to \$10,000.00. Payment details are shown below:

Payment Description	Payment Timing	Approximate Percent Recovery
Market Participant Convenience Cash Payment	Paid to ERCOT on Effective Date of the Plan	63%

OPTION 4: Allocation of the Eligible Market Participant's share between Market Participant Accelerated Cash Recovery & Market Participant Deferred Cash Recovery

LONG DESCRIPTION: On September 2, 2022, ERCOT issued Market Notice M-B090222-01 in order to advise Market Participants that Brazos Electric Power Cooperative, Inc. ("Brazos") filed its *Disclosure Statement for Plan of Reorganization of Brazos Electric Power Cooperative, Inc.* (the "Disclosure Statement") and *Chapter 11 Plan of Reorganization of Brazos Electric Power Cooperative, Inc.* (the "Plan") on September 1, 2022, in the Brazos bankruptcy case. The original Plan has been subsequently modified by Brazos. On September 13, 2022, the Bankruptcy Court issued an Order Conditionally Approving the Adequacy of the Disclosure Statement. ERCOT will now move forward with the Election Notice process for Eligible Market Participants, which will conclude on October 21, 2022.

As indicated in Market Notice M-B090222-01, ERCOT has not yet reached a final agreement on certain important provisions in the Plan. ERCOT expects further modifications of the Plan as it continues ongoing discussions and negotiations with Brazos and other key stakeholders. ERCOT has been coordinating with the Public Utility Commission of Texas ("PUCT"), through its attorneys at the Office of the Attorney General, on the proposed settlement and continued negotiations with Brazos. On September 15, 2022, the PUCT submitted the attached letter of support to the ERCOT Board of Directors.

In order to assist Eligible Market Participants in the Election Notice process, ERCOT will conduct two live virtual presentations to address the economic and non-economic terms of the proposed settlement between ERCOT and Brazos, which will be part of the Plan. Due to the volume of anticipated attendees, ERCOT will not facilitate questions, commentary, or a chat feature during the presentations. All virtual attendees will be restricted to a listening/viewing role only.

Eligible Market Participants may submit questions regarding the Plan, Disclosure Statement, or Election Notice to MPElectionNotice@ercot.com. During the virtual presentations, ERCOT will endeavor to address questions received in advance of the presentations. The virtual presentations will be held on **Tuesday, September 20, 2022, at 2:30 p.m. Central Standard Time (CST)** and **Wednesday, September 21, 2022, at 10:00 a.m. CST**. ERCOT is conducting two virtual presentations to maximize availability. Both presentations will cover the same information.

ERCOT is also developing a webpage on the ERCOT.com website where it will post a recording of one of the virtual presentations, along with other important materials concerning the proposed ERCOT/Brazos settlement, including answers to questions sent before and after the presentations to MPElectionNotice@ercot.com.

Under each of the four recovery options, Eligible Market Participants will be bound by the release in Article IV.G.2 of the Plan ("Release"), unless they are entitled to opt out of the Release under the Plan.
