**From:** Chad Thompson, Director, Compliance Analysis  
**Subject:** Acceptance of 2022 System and Organization Control Audit Report

**Issue for the ERCOT Board of Directors**

**ERCOT Board of Directors Meeting Date:** December 20, 2022

**Item No.:** 11.1

**Issue:**

Acceptance of the 2022 System and Organization Control (SOC) Audit Report

**Background/History:**

Per Section 1.4.3.1(1) of the ERCOT Protocols (entitled “Audits to be Performed”), “At least annually, an Appointed Firm shall perform a System and Organization Control (SOC) audit of ERCOT regarding ERCOT’s market Settlements operations.” Weaver & Tidwell, LLP (Weaver) was engaged to perform the audit for 2022.

Weaver has provided its *Report on Electric Reliability Council of Texas, Inc.’s Description of its Settlement and Billing Operations System and Suitability of the Design and Operating Effectiveness of its Controls for the period October 1, 2021 through September 30, 2022* (SOC 1 Report), including the auditor’s opinion. Weaver’s opinion is unmodified. There are no reportable exceptions.

On December 19, 2022, Weaver will meet with the ERCOT Finance and Audit Committee to review the SOC 1 Report. Given the unmodified opinion, the 2022 SOC Audit Report is expected to be accepted by the Committee.

Due to the confidentiality of the SOC 1 Report, the report is available solely for the Board’s electronic viewing in the Board’s Executive Session meeting materials under Agenda Item ES 2.1.2.

**Key Factors Influencing Issue:**

1. ERCOT Protocol Section 1.4.3.1(1) requires an annual SOC audit be performed;
2. Certain external organizations, including Market Participants, utilize the SOC 1 Report as an assurance of the suitability of ERCOT internal controls in connection with certain Sarbanes-Oxley reporting requirements; and
3. Because most Market Participants’ fiscal years end December 31, acceptance of the SOC 1 Report in a timely manner will allow the Report to be utilized in connection with preparation of their year-end financial statements.

**Conclusion/Recommendation:**

ERCOT staff recommends, and the F&A Committee is expected to recommend, that the Board accept the 2022 SOC Audit Report
