Scope / Purpose of Workshop

To reach a resolution regarding paragraph (1)(a) of proposed new Protocol Section 21.5.2, Priority Revision Requests, which sets forth how the PUCT or ERCOT Board may direct ERCOT to file a Priority Revision Request or designate an existing Revision Request as a Priority Revision Request

Joint TDSP Comments

21.5.2 Priority Revision Requests

- (1) A Revision Request shall be considered a Priority Revision Request if:
- (a) The PUCT directs ~~through a PUCT order and/or the ERCOT Board votes to direct~~ ERCOT to file a Priority Revision Request, or designates an existing Revision Request as a Priority Revision Request, through a written recommendation approved during a PUCT Open Meeting (“PUCT and/or Board Designated”); or
 - (b) The ERCOT Board votes to direct ERCOT to file a Priority Revision Request, or votes to designate an existing Revision Request as a Priority Revision Request, (“PUCT and/or Board Designated”); or
 - (c**b**) After 180 days from the posting date of the Revision Request, the sponsor of a Revision Request designates their Revision Request a Priority Revision Request via comments delivered electronically to ERCOT in the designated format provided on the ERCOT website (“Sponsor-Designated”).

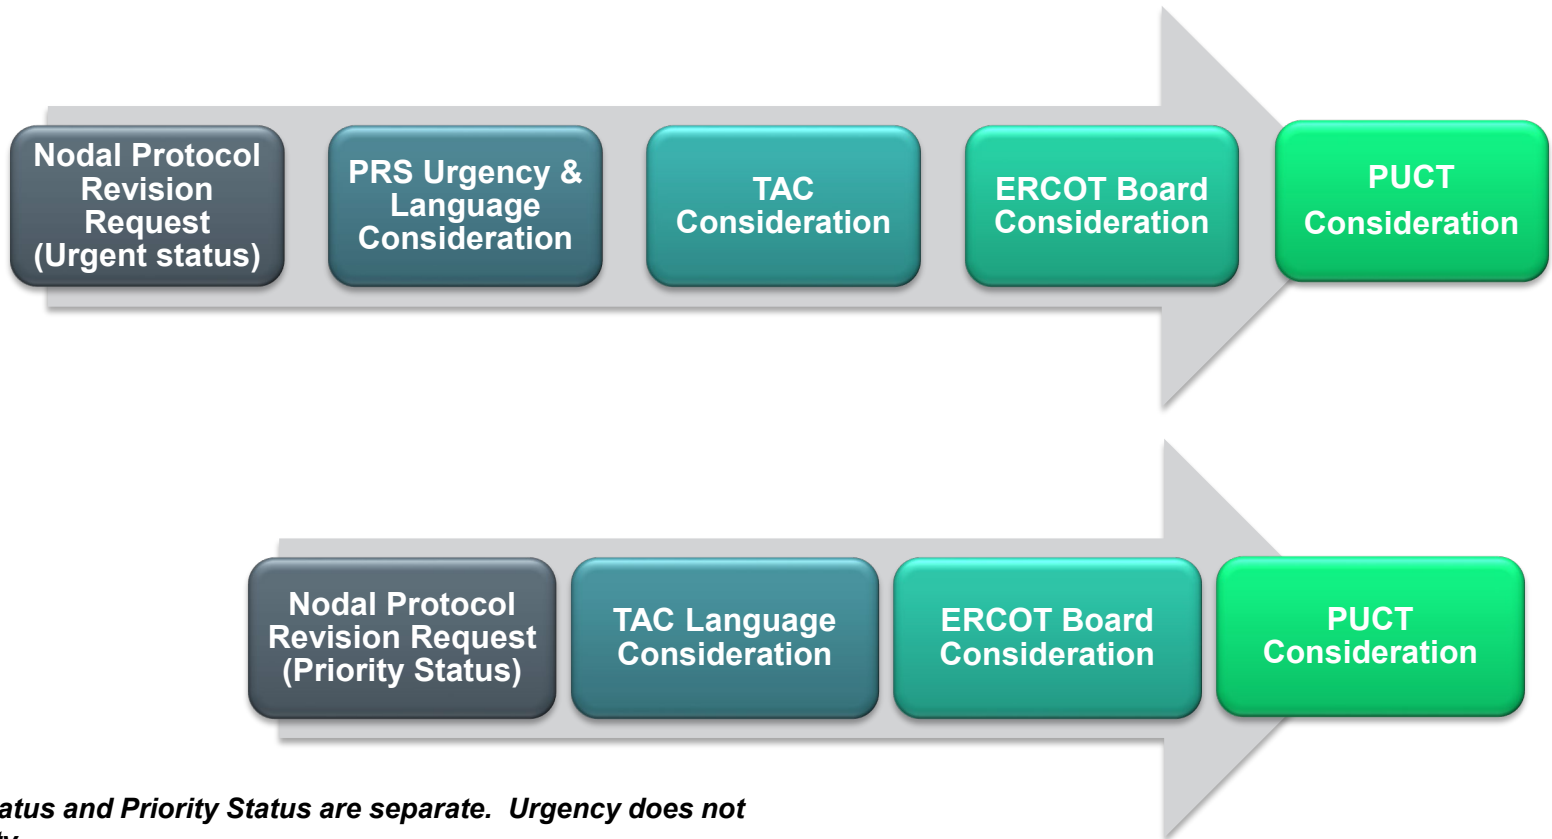

21.5.2 Priority Revision Requests

(1) A Revision Request shall be considered a Priority Revision Request if:

- (a) The PUCT directs ERCOT to file a Priority Revision Request, or designates an existing Revision Request as a Priority Revision Request, in a manner allowable under Texas law during a PUCT Open Meeting; ~~through a PUCT order and/or the~~ ERCOT Board votes to direct ERCOT to file a Priority Revision Request, or votes to designates an existing Revision Request as a Priority Revision Request (“PUCT and/or Board Designated”); or
- (b) After 180 days from the posting date of the Revision Request, the sponsor of a Revision Request designates their Revision Request a Priority Revision Request via comments delivered electronically to ERCOT in the designated format provided on the ERCOT website (“Sponsor-Designated”).

Priority Revision Request Process Flow

Urgent Status vs. Priority Status Process Flow

**Urgency Status and Priority Status are separate. Urgency does not imply Priority.*

Examples

NPRR	Title	Filed	Actual Approval Date	Potential Priority Approval Date	Potential savings w/ Priority (days)
