Issue for the ERCOT Board of Directors

ERCOT Board of Directors Meeting Date: February 28, 2023

Item No.: 11.2

Issue:

Election of the CEO and ratification of Officers of Electric Reliability Council of Texas, Inc. (ERCOT).

Background/History:

Sections 8.2 and 4.10(c) of the *Amended and Restated Bylaws of Electric Reliability Council of Texas, Inc.* (Bylaws) requires that the ERCOT Board of Directors (Board) elect the CEO of ERCOT and ratify the remaining ERCOT Officers for terms not to exceed one year. Section 8.2 further provides that officers may be re-elected or re-ratified for consecutive terms without limitation and that all officers shall hold office until their successors are chosen and qualified or until their earlier resignation or removal. Section 7.1 of the Bylaws provides in part that “[t]he CEO shall serve as President of ERCOT.”

At its meeting on February 27, 2023, the HR&G Committee will consider the election of CEO and ratification of Officers as recommended by Pablo Vegas, ERCOT President and CEO.

Key Factors Influencing Issue:

- The Bylaws require the election of the ERCOT CEO and ratification of Officers at least annually.
- ERCOT must have a CEO and Officers to perform its statutory and corporate functions.

The HR&G Committee will consider recommending whether, at its February 28, 2023 Board meeting, the Board should elect Pablo Vegas as President and CEO of ERCOT, while employed for a term not to exceed one year, and should ratify the following ERCOT Officers for the 2023 year, while employed for a term not to exceed one year:
