

ELECTRIC RELIABILITY COUNCIL OF TEXAS, INC.
TECHNOLOGY AND SECURITY COMMITTEE CHARTER

I. Committee Purpose

The Technology and Security Committee (the “Committee”) of the Board of Directors (“Board”) (individually a “Director” and collectively the “Board”) of Electric Reliability Council of Texas, Inc. (“ERCOT” or the “Company”) shall be responsible for the oversight of the Company’s technology and security functions and such other functions as the Board, from time to time, may delegate to the Committee.

The Committee’s oversight extends to the functions described in the *Duties and Responsibilities* section of this Charter and includes the power, described in the *Committee Authority* section, to execute those duties and responsibilities as the Committee deems appropriate to further the Committee’s purposes.

II. Committee Membership

A. Committee Member Qualifications

1. The Board shall confirm the Committee’s membership (“Committee Members”) based on candidates’ combined expertise and experience to facilitate the Committee’s execution of the *Duties and Responsibilities* section of this Charter.
2. Committee Members are expected to prepare for and attend meetings of the Committee.

B. Committee Member Terms

1. A Committee Member shall serve on the Committee until whichever of the following first occurs:
 - a. The Committee Member’s service as a Board Director terminates;
 - b. The Board, with or without cause, removes the Committee Member from the Committee; or
 - c. The Committee Member resigns from the Committee.

III. Committee Chair and Secretary

A. Committee Chair

1. The Board shall designate a Committee Member, who shall not be the Chief Executive Officer (“CEO”) of ERCOT, as the Committee Chair.
2. The Committee Chair shall have the following duties:
 - a. Manage meetings and meeting frequency;
 - b. Manage and facilitate the Committee’s work; and
 - c. Enlist the necessary assistance of other Committee Members to accomplish the Committee’s purpose, duties, and responsibilities.

3. The Committee Chair's authority includes the following:
 - a. Unlimited access to ERCOT's management and information for purposes of conducting the functions of the Committee; and
 - b. Authority to establish such other rules as may from time to time be necessary and proper for the conduct of the Committee.

B. Committee Secretary

1. The Committee shall designate a secretary ("Committee Secretary"), who may be a Committee Member or employee of ERCOT.

IV. Committee Duties and Responsibilities

A. Committee Oversight Function

1. The Committee's function is one of oversight, recognizing that the Company's management is responsible for preparing the Company's documents, plans, programs, filings, and agreements.
2. In adopting this Charter, the Board acknowledges that the Committee Members are not employees of the Company and are not providing any expert or special assurance as to the Company's documents, plans, programs, filings, and agreements.
3. Each Committee Member shall be entitled to rely on the integrity and expertise of those providing information to the Committee, including both staff and persons the Committee or the Company retains in relation to the Committee's performance of its duties and responsibilities, absent actual knowledge to the contrary.
4. In performing its duties and responsibilities, the Committee's general considerations shall include sound governance principles and industry trends.
5. Committee duties and responsibilities are set forth below as a guide to the Committee with the understanding that the Board may alter or supplement them as appropriate under the circumstances to the extent permitted by applicable law, and by the Company's Certificate of Formation and Bylaws.

B. Committee's Technology and Security Duties and Responsibilities

1. Information Technology and Projects
 - a. The Committee shall review the Company's annual strategic plan for information technology, including applications the Company uses, the Company's service providers, technology opportunities, and cyber risk tools.
 - b. As needed, the Committee shall review other reports regarding budgeting, cost, and vendor management issues, including operational maintenance agreements and supply chain management.

- c. The Committee shall monitor and evaluate procurement and management of critical technology systems.
- d. The Committee shall review implementation of significant technology projects and initiatives.
- e. The Committee shall regularly review significant projects previously approved to evaluate costs and timeline versus forecast.

2. Physical Security and Cybersecurity

- a. The Committee shall regularly review Company reports, including material risks and incidents, and provide advice to the Board regarding risk management of physical security and cybersecurity.
- b. As needed, the Committee shall review other reports, including legal, regulatory, or contractual trends and recent developments in physical security and cybersecurity, and provide advice to the Board.

3. Grid Transformation Initiatives

- a. The Committee shall regularly review Company reports and provide guidance on Company grid transformation initiatives.
- b. The Committee shall provide oversight on the budget for and cost of such grid transformation initiatives.

4. Artificial Intelligence (AI) Governance

- a. The Committee will support the Board's strategic objectives by approving the Company's strategic plan for AI, including accountable executives and responsibilities; metrics to mitigate legal, regulatory, and operational risks; quality standards for algorithm validation; compliance standards for transparent records; priorities to facilitate integration of decision-making for AI tools; and appropriate policies for addressing issues about the Company's AI.
- b. The Committee will monitor compliance through audits by Internal Audit as needed.
- c. Committee monitoring will assess alignment with the NIST AI Risk Management Framework or similar standards.
- d. Monitoring will ensure the Company retains control over its AI data, models, and training.
- e. Monitoring will confirm the Company appropriately communicates ERCOT's AI narrative to stakeholders, including regulators.

V. Committee Authority

A. Power to Investigate

- 1. The Committee is empowered to investigate any matter relating to its duties and responsibilities, with full access to all books, records, facilities, and personnel of

the Company, independent counsel, or other consultants or experts for this purpose.

2. All employees are directed to cooperate as requested by the Committee or any of its Committee Members for Committee purposes.
3. The Committee may request any officer or employee of the Company or the Company's consultants or outside counsel to attend a meeting of the Committee to advise the Committee in carrying out its responsibilities.

B. Appointment of Workgroups or Task Forces

1. The Committee may appoint workgroups or task forces to investigate issues defined by the Committee. Members of such workgroups or task forces need not be Board members. Such workgroups or task forces shall have no authority to bind the Committee, the Board, or the Company.

VI. Committee Meetings

A. Meeting Agendas and Timing

1. The Committee Chair, in consultation with the Board Chair and the Company's Corporate Secretary or delegated ERCOT staff, shall develop the agenda, frequency, and length of meetings.

B. Participation and Voting

1. Board members who are not Committee Members (including alternate representatives, as set forth in the Bylaws) may attend and participate in all Committee meetings, but may not vote on Committee matters, except that an alternate representative for a Director who is a Committee Member may vote in the absence of the Director.
2. Annually, the Committee shall conduct a Committee self-evaluation.
3. As needed, the Committee shall review the Committee Charter, and shall recommend to the Board changes to the Committee Charter as appropriate.

C. Quorum and Committee Action

1. At all meetings of the Committee, fifty percent (50%) of the Committee Members shall constitute a quorum for the transaction of business.
2. At any meeting at which a quorum exists, the act of a majority of the Committee Members present shall be the act of the Committee.
3. For the purposes of voting, Committee Members who recuse themselves from voting on an issue shall not be counted as present for that vote.

D. Meeting Minutes

1. The Committee Secretary shall prepare or cause to be prepared the minutes of each meeting and file such minutes with the corporate records of the Company.
