Issue for the ERCOT Board of Directors

ERCOT Board of Directors Meeting Date: June 23-24, 2025 **Item No.:** 14.1.2

<u>lssue:</u>

Electric Reliability Council of Texas, Inc. (ERCOT) must have a Board of Director (Board)-approved budget per its Bylaws.

Background/History:

Public Utility Commission of Texas (PUCT) Substantive Rule 25.363, ERCOT Budget and Fees

P.U.C. SUBST. R. 25.363(e) provides that the ERCOT budget (Budget) and any change in the system administration fee are subject to review and approval by the PUCT. P.U.C. SUBST. R. 25.363(d) further specifies that the review and approval of a proposed Budget, or a proceeding to authorize and set the range for the amount of the fee is not a contested case.

P.U.C. SUBST. R. 25.363(e) provides that, prior to submission of the Budget for Board approval, ERCOT shall consult with PUCT staff in connection with the development of the Budget and provide PUCT staff with information concerning budget strategies, staffing requirements, categories of expenses, capital outlays, exceptional expenses and capital items, and proposals to incur additional debt.

PUCT Order

On November 15, 2023, PUCT issued an Order in Docket No. 38533 approving ERCOT's 2024-2025 Biennial Budget. The Order also requires ERCOT to submit its proposed 2026-2027 biennial budget no later than September 1, 2025.

ERCOT Bylaws

Sections 4.10 (*Duties*) and 10.3 (*Budget*) of the ERCOT Bylaws require that the Board approve the Budget.

ERCOT Board Policies and Procedures

Section 3.3 of the Board Policies and Procedures provides as follows:

The CEO or the CEO's designee will present to the Board no later than 45 days prior to the PUCT's filing deadline of each year when the Budget is to be approved, or at such other time as directed by the Board, a Budget

to carry out the Board's directives for the following year or longer as directed by the Board. The Budget will include projections of ERCOT's overall financial performance and financing plans, and describe the services, projects, programs, and the associated revenues and expenditures. Adoption of the Budget by the Board and as approved by the PUCT authorizes the CEO to complete work plans and make associated expenditures as provided for in accordance with the Budget.

F&A Committee Charter

The Duties and Responsibilities section of the Finance & Audit Committee Charter states in pertinent part:

With respect to budget oversight, at least annually, the Committee shall:

- a. Review staff's proposed budget for the following year(s).
- b. Review staff's recommendation of the amount and type of financing needed, both revenue and debt financing, to support the proposed budget and meet the Company's liquidity needs; and
- c. Following the Committee's review of the above items, recommend to the Board, a proposed budget and associated financing plan for the following year(s).

The F&A Committee is expected to recommend Board approval of ERCOT's recommended 2026-2027 Biennial Budget at the Board's June 24, 2025, meeting.

Key Factors Influencing Issue:

- ERCOT requires approval of the Budget by the Board and the PUCT for funding to enable ERCOT to fulfill its statutory functions as an independent organization as required by Section 39.151(a) of the Public Utility Regulatory Act (PURA). For instance, ERCOT must have adequate funds and staff in 2026 and 2027 to:
 - Maintain compliance with the Financial Corporate Standard and associated financial performance measures as approved by the Board.
 - Address ERCOT's Strategic Objectives:
 - <u>Strategic Objective 1</u>: Be an industry leader for grid reliability and resilience,
 - <u>Strategic Objective 2</u>: Enhance the ERCOT region's economic competitiveness with respect to trends in wholesale power rates and retail electricity prices, and
 - <u>Strategic Objective 3</u>: Advance ERCOT, Inc. as an independent leading industry expert and an employer of choice by fostering innovation, investing in our people, and emphasizing the importance of our mission; and
 - Fund independent market monitoring, PURA, and North American Electric Reliability Corporation (NERC) compliance functions.
- In the fourth quarter of 2024 and the first two quarters of 2025, ERCOT staff discussed financial assumptions, methodologies, schedules, and a system

administration fee rate relating to the 2026-2027 Biennial Budget with the PUCT staff, the PUCT Executive Director, and the Chair of the PUCT.

- ERCOT staff will present its recommended 2026-2027 Biennial Budget to the F&A Committee on June 23, 2025.
- The Budget recommended by ERCOT staff will recommend a decrease in the ERCOT system administration fee rate from \$0.630 to \$0.610 per megawatt-hour effective January 1, 2026.

Conclusion/Recommendation:

ERCOT staff recommends, and the F&A Committee is expected to recommend, that the Board:

- Approve the recommended 2026-2027 Biennial Budget as set forth in <u>Attachment A</u>, which includes \$485,866,258 and \$585,041,573 total spending authorization for operating expenses, project spending, and debt service obligations for 2026 and 2027, respectively.
- Approve the recommended decrease to the ERCOT system administration fee rate from \$0.630 to \$0.610 per megawatt-hour effective January 1, 2026, as set forth in <u>Attachment B</u>; and
- Authorize ERCOT Legal to file the Board-approved 2026-2027 Biennial Budget for approval by the PUCT, pursuant to P.U.C. SUBST. R. 25.363(d).
