Issue for the ERCOT Board of Directors

ERCOT Board of Directors Meeting Date: December 8-9, 2025

Item No.: 12.2.1

Issue:

Acceptance of the 2025 System and Organization Control (SOC) Audit Report

Background/History:

Per Section 1.4.3.1(1) of the ERCOT Protocols (entitled “Audits to be Performed”), “At least annually, an Appointed Firm shall perform a System and Organization Control (SOC) audit of ERCOT regarding ERCOT’s market Settlements operations.” Weaver & Tidwell, LLP (Weaver) was engaged to perform the audit for 2021.

Weaver has provided its Report on Electric Reliability Council of Texas, Inc.’s Description of its Settlement and Billing Operations System and Suitability of the Design and Operating Effectiveness of its Controls for the period October 1, 2024 through September 30, 2025 (SOC 1 Report), including the auditor’s opinion. Weaver’s opinion is unmodified. There are no reportable exceptions.

On December 8, 2025, Weaver met with the ERCOT Finance & Audit Committee (F&A) to review the SOC Report. Given the unmodified opinion, the 2025 SOC Audit Report is expected to be accepted by the Committee.

Due to the confidentiality of the SOC 1 Report, the draft report is available solely for the Board’s electronic viewing in the Board’s Executive Session meeting materials.

Key Factors Influencing Issue:

1. ERCOT Protocol Section 1.4.3.1(1) requires an annual SOC audit be performed;
2. Certain external organizations, including Market Participants, utilize the SOC 1 Report as an assurance of the suitability of ERCOT internal controls in connection with certain Sarbanes-Oxley reporting requirements; and
3. Because most Market Participants’ fiscal years end December 31, acceptance of the SOC 1 Report in a timely manner will allow the Report to be utilized in connection with preparation of their year-end financial statements.

Conclusion/Recommendation:

ERCOT staff recommends, and the F&A Committee is expected to recommend, that the Board accept the 2025 SOC Audit Report.
