NOTICE DATE: December 17, 2025

NOTICE TYPE: M-A121725-01 General

SHORT DESCRIPTION: Dashboard Requests Form Now Available

INTENDED AUDIENCE: All Market Participants

DAYS AFFECTED: December 17, 2025

LONG DESCRIPTION: ERCOT communicates important real-time, previous day, and next day data via [interactive dashboards](#) on its website. In response to Market Participant requests, there is now a way to submit a request to enhance an existing dashboard or add a new dashboard to the ERCOT website.

The new "[Requests for Public Dashboard Updates](#)" page on ERCOT.com displays current requests and their submission date, associated status, and a short description of the request. From this page, Market Participants can log in to the ERCOT Public Portal to add their vote to an existing request or to submit a new request.

Market Participants can also choose to subscribe to receive updates to the webpage via email.

ADDITIONAL INFORMATION: ERCOT will consider all requests but does not make any assurance that requests will be adopted. If ERCOT determines in its sole discretion that the request should be granted, it will be worked on according to ERCOT's timeline for dashboard enhancements and requests.
