## Technical Advisory Committee (TAC) Comment

To address a concern with the number of questions and comments discussed while presenting Regional Planning Group (RPG) Projects at the Technical Advisory Committee (TAC), ERCOT is proposing to introduce a process to address questions and comments prior to the TAC meetings

- Post TAC material seven (7) days prior to TAC meeting
- Submit Questions and comments to ERCOT within two (2) business days after posting
  - Provide questions and comments to Manager of Regional Planning and copy the Engineer assigned to the project
- ERCOT post responses to questions and comments to TAC materials prior to the meeting

Include a timeline in the EIR Recommendations presented at the RPG meetings

## TAC Posting Material Timeline Example

EIR recommendation at the TAC meeting on May 19, 2026

- Post TAC material on May 12, 2026
- Collect and consolidate questions on May 14, 2026
- Post consolidated questions and ERCOT responses on May 15, 2026
