

Request for Information for Cloud Connection Circuit_01-24_JT

Date of Release: January 16, 2024

1. General Information

1.1. Request for Information (RFI) Objective

This is a Request for Information (RFI) only and does not constitute a commitment, implied or otherwise, that the Electric Reliability Council of Texas, Inc. (ERCOT) will take procurement action in this matter.

The ERCOT objective in this RFI is to evaluate Respondent’s product and service offerings to better understand the various Physical Connectivity Services currently available in the market.

In order to participate, each respondent is required to create a free supplier account with WSS by accessing the following link and following the instructions for new account creation.

<https://us.workdayspend.com/rfps/public/601638>

Once registered, you can view details and ask questions (via the WSS message center) to Electric Reliability Council of Texas within the WSS platform. You will also be able to invite additional team members to collaborate and submit your RFI response.

1.2. ERCOT Point of Contact

The sole point of contact for inquiries concerning this RFI is:

Jason.Terrell@ercot.com
ERCOT
2705 West Lake Drive
Taylor, Texas 76574

All communications relating to this RFI must be directed to the specified ERCOT Point of Contact. All other communications between a Respondent and ERCOT staff concerning this RFI are prohibited. Failure to comply with this section may result in ERCOT’s disqualification of the submission.
