Enterprise Data & AI Strategy and Governance
Review_01-26_JT**

Date of Release: January 16, 2026

1. General Information

1.1. Request for Proposal (RFP) Objective

The objective of this RFP in this procurement is to identify and contract with a qualified consulting partner to provide an independent, expert critique of completed strategy, governance and corporate standard documentation related to Data Governance and Artificial Intelligence.

Electric Reliability Council of Texas (ERCOT) will be using Workday Strategic Sourcing (WSS) to manage the submission process for this RFP.

In order to participate, each respondent is required to create a free supplier account with Workday Strategic Sourcing by accessing the following link and following the instructions for new account creation.

<https://us.workdayspend.com/rfps/public/1072193>

Once registered, you can view details and ask questions (via the WSS message center) to ERCOT within the WSS platform. You will also be able to invite additional team members to collaborate, and submit your RFP response.

1.2. ERCOT Point of Contact

The sole point of contact for inquiries concerning this RFP is:

Jason Terrell
ERCOT
2705 West Lake Drive
