

**Request for Proposal for
Generative AI Application Development Professional
Services_03-26_JT**

Date of Release: March 06, 2026

1. General Information

1.1. Request for Proposal (RFP) Objective

The objective of ERCOT in this procurement is to identify and contract with a qualified Respondent to provide professional services level staffing support for the design, development, and implementation of Generative AI chatbots, applications, and intelligent agents. Resources will embed within ERCOT's technology teams and work alongside existing staff to build enterprise-grade AI solutions that enhance employee productivity, improve knowledge management, and enable intelligent automation of business processes.

Electric Reliability Council of Texas (ERCOT) will be using Workday Strategic Sourcing (WSS) to manage the submission process for this RFP.

In order to participate, each respondent is required to create a free supplier account with Workday Strategic Sourcing by accessing the following link and following the instructions for new account creation.

<https://us.workday spend.com/rfps/public/1112105>

Once registered, you can view details and ask questions (via the WSS message center) to ERCOT within the WSS platform. You will also be able to invite additional team members to collaborate, and submit your RFP response.

1.2. ERCOT Point of Contact

The sole point of contact for inquiries concerning this RFP is:

Jason Terrell
 ERCOT
