

**Request for Proposal for
Enterprise Data Governance, Management, and
Catalog Tooling_04-26_DW**

Date of Release: April 02, 2026

1. General Information

1.1. Request for Proposal (RFP) Objective

The Objective of ERCOT in this procurement is to identify and contract with a qualified supplier to provide an enterprise data governance, data management, and data catalog platform, along with optional implementation services, to support the organization in establishing foundational data governance and management capabilities. The selected solution will serve as a central enabling technology for enterprise data governance, metadata management, data quality data lifecycle management, data domains, visibility, business glossary, data lineage, and stewardship workflows.

Electric Reliability Council of Texas (ERCOT) will be using Workday Strategic Sourcing (WSS) to manage the submission process for this RFP.

In order to participate, each respondent is required to create a free supplier account with Workday Strategic Sourcing by accessing the following link and following the instructions for new account creation.

<https://us.workday spend.com/rfps/public/1152151>

Once registered, you can view details and ask questions (via the WSS message center) to ERCOT within the WSS platform. You will also be able to invite additional team members to collaborate, and submit your RFP response.

1.2. ERCOT Point of Contact

The sole point of contact for inquiries concerning this RFP is:

Diana.Wang@ercot.com

All communications relating to this RFP must be directed to the specified ERCOT Point of Contact. All other communications between a Respondent and ERCOT staff concerning this RFP are prohibited. Failure to comply with this section may result in ERCOT's disqualification of the proposal.
