Request for Proposal for Ice Machine Preventative Maintenance Services_09-26_GY

Date of Release: September 4, 2026

1. General Information

1.1. Request for Proposal (RFP) Objective

The objective of ERCOT in this procurement is to identify and contract with a qualified Respondent to provide quarterly preventative maintenance (PM) services for a total of eighteen (18) commercial ice machines located at ERCOT's Taylor facility, Bastrop location, and Austin Met Center location.

Electric Reliability Council of Texas (ERCOT) will be using Workday Strategic Sourcing (WSS) to manage the submission process for this RFP.

In order to participate, each respondent is required to create a free supplier account with Workday Strategic Sourcing by accessing the following link and following the instructions for new account creation.

https://ercot.us.workdayspend.com/rfps/public/1290657

Once registered, you can view details and ask questions (via the WSS message center) to ERCOT within the WSS platform. You will also be able to invite additional team members to collaborate, and submit your RFP response.
